Re: Project Feedback, Summer Institute

May 15, 2024

**THANK YOU FOR ANOTHER
“WATERSHED” YEAR!**

THANK YOU AGAIN

Thanks to your efforts and those of your students, this year has been absolutely wonderful. We have had a great time working with you and have been extremely impressed with the work in your classrooms and at your creeks. We never imagined we'd have to cancel a Student Research Symposium due to high water! We hope this year's Creek Connections experience has been educational, inspiring, and fun for you and your students.

END OF THE YEAR EVALUATION - YOU

Find the link to our teacher feedback form in this email and on the [Teacher Resource webpage](#). **All participating teachers must complete the evaluation.** Your feedback is essential for our future **FUNDING**. Creek Connections will always evolve to meet teacher needs and to provide a quality program for you and your students. This is your biggest chance to give us your advice and feedback. ALL teachers are expected to fill out this evaluation, so please submit it by the end of June.

END OF THE YEAR EVALUATION – STUDENTS “AFTER” SURVEY

Also find the [link to our student AFTER survey](#) in this email and on our webpage. Data from this anonymous and voluntary survey will help us gain useful information for our funding pursuits.

SUMMER INSTITUTE (Teacher Professional Development Workshop)

The Summer Institute will be held at Allegheny College on Tuesday, August 1. [Register for the day and we'll send details when it gets closer](#). We expect all teachers to attend this event. Inventory your test kits so you can stock up on refills and replacements. Classroom resources and free materials will be available for teachers who attend.

NEXT YEAR'S TEACHER TEAM
