WELCOME FROM THE PRESIDENT

As we start the new academic year together, I want to encourage you to take advantage of all of the resources that Allegheny College offers, including this student handbook. The Compass is full of practical information on the offices, people, activities, and services here at Allegheny. It also includes the policies and regulations that help guide us as we live and learn together as a community of scholars.

As you review the material contained in the Compass, I ask you to reflect on the responsibilities inherent in being a part of the Allegheny College community. Ours is a community built around mutual respect and integrity. It is a privilege to be part of Allegheny College and all of us should be grateful for the opportunities we have to learn and to grow on this campus.

I hope that when you see me on campus, you'll introduce yourself and tell me your story. Or if you're going by my office, please feel free to stop in and say hi.

College is full of challenges and hard work and countless opportunities for new friendships and much fun. I look forward to sharing your college experience with you and learning with you over the next year.

Looking forward to our journey together,

Allegheny.

We have created the Student Handbook to provide you with immediate access to information about important resources that support the academic mission, objectives, processes, functions, and general operations of Allegheny College. In addition, you will find the Community Standards and Code of Conduct which presents the College's behavioral expectations for students. Every student is expected to model civility, commitment and consistency as he/she engages with the community and/or leadership and service beyond Allegheny College. In addition, it is expected that you will hold your peers accountable for being good citizens and upholding the high standards of Allegheny College on and off campus.

On occasion, you may find yourself in situations where you may need assistance with managing academic, personal, and other questions and concerns. I want to encourage you to visit the Office of the Dean of Students if you have questions or concerns regarding your adjustment to Allegheny, your living environment, relationships with others, or health and wellness questions and concerns. As dean of students, I am able to assist you with identifying a plan of action and/or support that will help you to successfully navigate your Allegheny experience.

Understanding the Gator Community

Allegheny College provides long-standing and life-changing connections to a diverse and dynamic community. We are a community of students, faculty, staff and alumni who share in the educational and social experiences of Allegheny College that represents a feeling of kinship and the closeness you feel with another Gator. It's a warm smile on a cold and rainy day, a friendly hug, or a cheerful hello. It's counting on others and being counted on. It's expressing care, concern and respect for others, who then do likewise in return.

The Gator community is all that a good and lasting friendship is, only better. It is a treasured and sacred experience of knowing that there will always be someone there to support you. The Gator Community represents our shared dreams and accountability to each other to achieve our personal, academic, social and career goals. While chance or circumstances have made us friends and acquaintances, making the choice to be a Gator has made us a part of a unique and special community.

What It Takes to Be a Gator

Accountability is the acknowledgment and assumption of responsibility for your actions, decisions, and compliance with policies. It also means being answerable for resulting consequences.

Civility is demonstrating courtesy and politeness in action and/or oral and written expression with members of the Allegheny community.

Community- As a member of Allegheny College, you have voluntarily entered into an institution with a strong intellectual and cultural heritage. Each Gator is a member of an elite community of learners who are expected to exhibit thoughtful academic study and discourse, and ethical and socially responsible behaviors on and off-campus.

Diversity requires that each Gator know how to relate to those qualities and conditions that are different from his/her own and outside the groups to which he/she belongs. These include but are not limited to age, ethnicity, class, gender, physical abilities/qualities, race, sexual orientation, as well as religious status, gender expression, educational background, geographical location, income, marital status, parental status, and work experiences. These categories of difference are not always fixed: they can be fluid. The overall goal of diversity is that each Gator learn to respect the individual rights of each individual, and recognize that no one individual or culture is intrinsically superior to another.

Integrity means demonstrating honesty, respect for truth, and congruence with College standards and behavior expectations in all exchanges and interactions with other Allegheny students.

Friendship means sharing a strong bond of mutual understanding, respect and love that serves as the foundation for building a trusting relationship between two or more Allegheny students.

Mentoring- Mentoring is a developmental partnership through which another Allegheny student shares his/her knowledge, skills, information, and perspective to foster the personal and professional growth of another Allegheny student. We all have a need for insight that is outside of our normal life and educational experience. The power of mentoring is that it creates a one-of-a-kind opportunity for collaboration, goal achievement and problem-solving between Allegheny students.

Politeness is showing good manners and behaviors and engaging in respectful dialogues with other Allegheny students, and learning how to disagree in a respectful manner.

Respect means giving favorable regard to the worth, excellence, or personal quality or ability of another Allegheny student. When Allegheny students disagree, they do so in a manner that does not humiliate or demean another Allegheny student in person, in a group or in on-line communities.

Responsibility means taking ownership of your individual choices and any subsequent consequences.

Unity means that Allegheny students are unique individuals who combine together to create the Allegheny College community.

RESIDENCE LIFE

Allegheny College is a residential college that requires students to live on campus during their undergraduate experience. We believe the academic experience is enhanced by the residential and co-curricular learning experiences. The Office of Residence Life is responsible for general operations and administration of housing, residential education, and living and learning programs.

RESIDENCE HALLS & HOUSES

Each of our residence halls and houses offers opportunities for students to meet people from diverse backgrounds and cultures and to develop a sense of community within their own residential building. Our residence halls are staffed with resident advisors who live on each floor and work diligently to support students in all aspects of their college lives. The resident advisors are paraprofessional staff who encourage student engagement in the residence halls, houses, on campus and in the greater Meadville community.

A variety of innovative and creative, social, educational, and cultural programs are provided to support the personal, social, academic, and emotional development of Allegheny students. Group living is built on the foundation of individual respect for other students and the facilities. Students have a responsibility to contribute to a positive community environment and to maintain the integrity of the residential facilities. In addition to the Community Standards and Code of Conduct, students living in the residence halls are subject to Residence Life policies and procedures.

GENDER INCLUSIVE HOUSING & RESTROOMS

Diversity and inclusion is core to learning and excellence in a global society. The residential experience represents an important foundation for students overall academic and social success. As an integral part of the out-of-classroom experience, students living in college residences can expect an inclusive living environment to fully benefit from the Allegheny College experience.

For the purpose of gender-inclusive housing, the following definitions may be helpful:

- A. **Gender non-conforming:** individuals whose gender expression is different from societal expectations related to gender.
- B. **Gender Expression:** the external manifestation of one's gender identity, usually expressed through "masculine", "feminine" or gender non-conforming behavior, clothing, haircut, voice or body characteristics.
- C. **Transgender:** people whose gender identity, expression or behavior is different from those typically associated with their assigned sex at birth, including but not limited to transsexual, cross-dresser, androgynous people, gender-queer and gender non-conforming people.

What is gender inclusive housing?

Gender-inclusive housing is a residential space in which roommates of any combination of biological sexes, gender identities or gender expressions choose to live together. This includes small houses, apartments, suites and traditional rooms that comprise our current residential facilities.

This option may be meaningful for a variety of students: those who feel uncomfortable rooming with members of the same sex, transgender students in the process of discovering their gender identity, students who feel they would be more compatible with a roommate of a different sex or gender, and students who do not want sex or gender to be a primary factor in choosing a roommate.

Why does Allegheny College offer gender inclusive housing?

There are some students for whom traditional, same-sex room assignments are not ideal or appropriate, and we believe it is important that housing policies evolve to meet the needs of all students to create an inclusive, welcoming environment. This policy helps create an environment that acknowledges, appreciates and respects the diverse nature of the Allegheny student body, while giving students more options in finding a roommate who is truly compatible.

Does Allegheny College also offer gender inclusive bathrooms?

Generally, there are two types of bathrooms within residential facilities: single person and group bathrooms. All single person bathrooms (one toilet, one sink and one shower) are gender-neutral (anyone can use the bathroom). Group bathrooms are those with multiple toilets, sinks and showers. These bathrooms are designated at the beginning of the year as male, female, and gender neutral.

Housing and gender-neutral bathroom facilities are available in the following residential units and houses with gender neutral spaces and floors:

- Allegheny Commons
- Allegheny Hall
- Baldwin Hall (1st Floor)
- Cafisch Hall
- College Court
- Independent Living Houses
- North Village I & II
- Ravine Hall
- Special Interest Houses
- Wise Center (2nd Floor Near Pool)

Students will be assigned to a housing facility that will best meet their needs regarding housing and bathrooms.

Will students be randomly assigned to a roommate of another gender?

No. Students who wish to take advantage of the new policy must enter into any roommate arrangement as willing applicants.

Will parents be notified if I select gender inclusive housing?

Students 18 years of age and older may make decisions about their housing assignment without parental consent. We encourage students to maintain an open dialogue with their families so that they can be supportive of a student's housing decision. For adult students, it is the student's choice whether or not to tell their parents or guardians. Students under 18 should discuss housing plans with their families, as they must provide parental consent for a gender-neutral option.

Why the change in policy?

Mixed-gender housing options have been available at Allegheny College for several years. Gender-inclusive housing is a more explicit and campus wide housing option, officially implemented during fall of 2013. As with all policies, gender-neutral housing will be continuously reviewed and improved to most effectively meet student needs.

SELECT RESIDENCE LIFE POLICIES

APPLIANCES: Refrigerators and Microwaves may be used in student rooms as long as they do not exceed 750 watts. They should be a reasonable size and may not exceed 4.4 cubic feet. Toasters, coffee makers and hot pots are also allowed, but any appliances with an exposed heating element (space heaters, hot plates, toaster ovens, etc.) are not permitted for safety reasons. For safety reasons, "George Foreman" type grills are not permitted.

COURTESY & QUIET HOURS: College residence halls are group living environments. Therefore, it is expected that every student respect other student's rights to study, to be in a quiet environment and to be able to achieve adequate rest in preparation for the next day.

- A. **Courtesy Hours:** Courtesy hours are enforced 24 hours each day. During courtesy hours, residents are expected to act in a manner that demonstrates respect for the rights of others to study and sleep in their rooms. The right to reasonable quiet shall, at all times, prevail in the residence halls. Residents are expected to work together cooperatively to establish acceptable and respectable noise levels.
- B. **Quiet Hours:** Quiet hours are posted in each building at the beginning of each academic year. During quiet hours, noise should be audible only in the resident's room with the door closed. The noise should not extend beyond the resident's closed door. Quiet hours are enforced 24 hours a day during final exams.

DAMAGES: You are welcome to hang posters and other items on walls, doors, and closets with masking tape or white hanging putty. We recommend using adhesive especially made for hanging posters that will not leave residue. Do not use double-sided or duct tape, as these will leave a heavy residue and/or remove the paint. Also, because of the damage caused by self-adhesive decals, nails/bolts, and we ask you to refrain from using them. By agreeing to the housing contract, you accept responsibility for damage in your room beyond normal wear and aging and will be charged accordingly. In the common areas, charges resulting from damage or loss resulting from theft or destructive behavior are the joint responsibility of the residents of a building, section, or floor. Students are not permitted to paint their residence hall room.

FIRE SAFETY: Open flames such as candles or incense are not permitted. If you need to use extension cords, please make sure you use heavy-duty cords with a minimum of 14-gauge wire. If you use surge protectors, please make sure that they are heavy duty with a self-tripping breaker. As a safety measure, you are not allowed to hang tapestries from the ceiling or in front of the door. Additionally, we do not allow halogen lamps due to fire safety concerns.

FIRE DRILLS: Fire drills will be scheduled periodically in each residence hall. Residence Life Staff will assist Public Safety personnel with administering the fire drills. The fire doors are not to be used except in the case of an emergency. Activating fire alarms or using fire extinguishers outside of an emergency is a serious crime, and offenders will be appropriately prosecuted in accordance with the Meadville city and Pennsylvania codified ordinances, in addition to being subject to student conduct action for a violation of the Code of Conduct. You are required to evacuate College-owned buildings in the event that a fire alarm sounds and must refrain from tampering with or disabling fire safety equipment. Violations of fire safety policies are subject to disciplinary action including a fine up to \$500 and/or removal from housing.

GUEST & VISITORS POLICY: The following is the residential policy on guests and visitors.

- A. Visitation refers to the privilege of having guests in your room and/or in the residential area in which it is located. The rights of other residents, especially your roommate(s), take precedence over this privilege. The guidelines and timeframes for visitation will be communicated to all students at the start of the academic year. In the event of an emergency, crisis, staffing concern, or major campus function, Residence Life and/or the Department of Public Safety reserve the right to limit or modify designated visitation hours.
- B. A guest is defined as any person who is not assigned to live in a specific residence hall room and/or residential area, whether the guest is a residential student, commuting student, or non-student of Allegheny College. A non-student guest must be escorted by a host at all times in residential areas.

- C. Students and their guest(s) are expected to comply with the policies and procedures and reasonable requests of the Residence Life staff. Guests must abide by all policies and procedures of the College. **Residents will be accountable for the behaviors of their non-student guests**, and will face possible conduct action through the campus conduct system for violating the College's Community Standards and Code of Conduct.
- D. Students must exercise good judgment when hosting a social gathering. Moreover, students are encouraged to make special efforts to maintain the College's community standards. The Residence Life staff will promptly disband all disruptive activities and require all visitors and guests to vacate the residential facilities.

HEALTH & SAFETY INSPECTIONS

Housing & Residence Life will conduct periodic room inspections occurring at least once per semester. The purpose of these inspections is to ensure that safety devices are working properly, address unsafe conditions and to give general information that might be helpful as students encounter situations. Though not the primary focus of a health and safety inspection, search and seizure of any items found which violate public law, College regulation, Residence Life policy and/or the terms and conditions of the Housing Agreement is permissible. In such circumstances, appropriate referral for conduct violation may be initiated.

HOUSING AGREEMENT: All housing contracts are for one full academic year, both fall and spring semesters. Students are required to electronically sign a housing contract to confirm their room for the academic year. Students are advised to read the contract carefully. The student, parents and/or legal guardian are responsible for paying the housing fee for the full academic year which represents the term of the agreement.

KEYS: You will be issued the appropriate keys to gain entry to your assigned room. If you lose any of the keys issued to you, you should report this to the Office of Residence Life and/or the Public Safety as soon as possible. ***If keys are lost, stolen, or not returned for any other reason, you will be charged \$125 per key to cover the cost of lock changes.*** Additionally, College keys should not be reproduced. Such action is subject to disciplinary action and a \$500 fine.

OCCUPANCY VIOLATION: Room assignment changes must be initiated and approved by the Office of Residence Life. Students who move without approval will be identified as illegally occupying a space without official notification to the Residence Life staff, and may be subject to student conduct action for a violation of the Code of Conduct. If a resident or non-resident occupies a room without the approval of the Office of Residence Life, the student will be required to vacate the residence hall room. In addition, he/she will be subject to student conduct action for a violation of the Code of Conduct.

OPENING & CLOSING: Students must apply and be approved for early arrival and late stay prior to the official hall opening or closing. Approval will be granted to students who are working on campus or participating in a college sponsored program.

PETS: Only fish are permitted in residence halls and College-owned houses. The maximum size of a fish tank permitted in College-owned residential facilities is 20 gallons.

RESPONSIBILITY FOR PERSONAL PROPERTY: Students and/or their parents are encouraged to purchase appropriate insurance coverage to address any personal property loss. Students who use community storage areas in their residence hall do so at their own risk. The College does not assume any legal or financial obligation for any student's personal property that may be lost or damaged in its academic and residential buildings and grounds.

ROOM CHANGES & ROOMMATES: The Office of Residence Life reserves the right to change room assignments, assign roommates, and consolidate vacancies at anytime. All requests for housing changes must be approved by the Office of Residence Life. Students have 48 hours to complete the move and return old keys. ***Failure to return keys could result in a \$125 charge to replace locks and keys.***

ROOMMATE CONFLICT: Conflict is a normal part of any communal living environment. As such, we understand that roommate conflicts may occur sometime throughout the academic year. The Residence Life staff will work with students to develop a Roommate Agreement to address the conflict and living arrangements and expectations to assist the residents with maintaining a harmonious living environment. The Residence Life staff will immediately address intentional roommate conflict(s) that reflect a resident purposefully behaving in a hostile manner toward his/her roommate(s). A student intentionally creating conflict is referred to as a hostile roommate. The "hostile" roommate(s) will be subject to relocation or removal from housing. In addition, the hostile roommate may be subject to student conduct action for a violation of the Code of Conduct.

SECURING YOUR ROOM: You should keep your room locked at all times. To guard against theft, record serial numbers of your personal property and mark all items such as stereos, cameras, etc. with your name or the last four digits of your social security number. Students are also encouraged to participate in "Operation Identification" offered through Public Safety. "Operation Identification" is a program that allows students to engrave personal items and keep a log of these items in Public Safety. In the event that you are the victim of a theft, please notify the Residence Life staff and Public Safety immediately. Students/residents within a hall or building who prop open outside or internal fire doors maybe subject to fines and/or student conduct action for a violation of the Code of Conduct.

TEMPORARY HOUSING POLICY: Students are sometimes assigned to temporary living accommodations at the beginning of each semester until a permanent room assignment can be arranged.

TUITION and ROOM & BOARD FEES: All students will be required to have their balance paid in full by the stated College deadlines. If you have opted for the payment plan, the semester's fees must be paid by the identified deadline. Students who do not meet their institutional financial obligation by the stated deadline may be subject to withdrawal and a financial leave of absence. Students will be notified of the change in residence hall status via phone contact and electronic communication.

The Office of Spiritual and Religious Life supports members of the Allegheny community in learning, growing in leadership, and developing as whole persons. We seek to nurture and encourage persons of faith to deepen their engagement with their own faith traditions, while developing respect for difference. We work with other constituents to enhance the spiritual dimension of all persons' lives, reach out in service to the local and global community, and address spiritual issues of concern that will lead to positive transformation of individuals, the

institution, and the world. We strive to engage people of faith, whether they are Catholic or Jewish, Hindu or Presbyterian, as well as those who seek spiritual enrichment in less formal experiences, or aren't sure what they believe. STUDENT CONDUCT POLICIES

PHILOSOPHY OF OUR RESIDENTIAL COMMUNITY

As members of Allegheny College's residential learning community we strive to develop lives rich in meaning and purpose. Students, faculty, staff and administrators are all valued as responsible citizens of both the campus and the surrounding community. By forming connections with our diverse backgrounds we have the opportunity to expand our understanding of the world in which we live, which is shaped through active citizenship, respect for diversity and a commitment to environmental responsibility.

As a community we hold each other accountable for our actions, and value dialogue and reflection as necessary agents of conflict resolution and personal transformation. Trust and mutual respect are critical to the vitality and health of our community, to which we all contribute. As members of this community we understand that a commitment to excellence, integrity, and ethical judgment must inform the choices we make for they are always reflected in our actions.

To that end, these values are promoted and upheld by the College policies which are designed to encourage personal responsibility for one's actions and knowledge of the greater impact those actions have upon others. As community members, we agree to abide by the Honor Code and the College policies. Allegheny College values each student as an adult and expects students to be honest while they participate in informal or formal aspects of the Student Conduct System. The conduct system reflects and responds to violations of the College's mission, the Statement of Community, and the Philosophy of Allegheny College's Residential Learning Community.

STUDENT CONDUCT SYSTEM

The student conduct system is educational in nature and is designed to provide a process to determine a student's responsibility and, when appropriate, assign sanctions for violation of College rules, regulations and/or policy. The College Student Conduct process is distinct from the civil or criminal law legal process. A student's specific rights and responsibilities are outlined in each Article of this code.

There are two parts to our Student Conduct System: one for matters related to academic conduct and one for non-academic matters. All disciplinary decisions related to the Student Conduct System are based on a review of relevant information and facts. Decisions made by the Student Conduct Officer or designee, the Honor Committee, and the Campus Life and Community Standards Committee will use the standard of proof that it is more likely than not a violation of Allegheny College policy occurred. This means there is information indicating it is more probable than not that a student violated College policies and therefore sanctions are assigned.

SECTION 1: COLLEGE AUTHORITY & JURISDICTION

- A. Generally, and unless otherwise required by law, the jurisdiction of the College shall be limited to conduct that occurs on College premises or that adversely affects the College community and/or the pursuit of its objectives. Decisions about whether to assert College jurisdiction over matters occurring off campus shall be made by the Dean of Students (or designee) in consultation with the Student Conduct Officer. In cases involving alleged violations of the College's Policy Against Discriminatory and Sexual Harassment, including Sexual Assault And Other Forms of Sexual Violence, Dating Violence, Domestic Violence And Stalking (sometimes hereinafter referred to as "Policy Against Discriminatory and Sexual Harassment"), decisions about whether to assert College jurisdiction over matters occurring off campus shall be made by the Title IX Coordinator. Any student found in violation of the Honor Code or College rules, regulations or policies is subject to disciplinary action according to the procedures outlined in this student conduct system. This includes misconduct during EL Seminars, Study Abroad experiences, college-sponsored events (both on and off campus), and off campus gatherings.
- B. All Allegheny College Public Safety officers are Act 120 trained and certified under the Commonwealth's Municipal Police Officers' Education and Training Commission (MPOETC) and/or Act 501 as Special Police and are empowered to make arrests. The Department of Public Safety also has the authority to investigate and issue citations for summary offenses and misdemeanors such as certain alcohol and drug offenses, disorderly conduct, etc., and generally will refer more serious offenses to the Meadville City Police Department for handling.

- C. A College inquiry may be initiated if a student is charged with violation of a law that also would be a violation of College policy. The College may take separate disciplinary action prior to, during, or after the disposition from a civil or criminal law legal process.
- D. The College will cooperate fully with federal, state and/or local authorities and other agencies in the enforcement of criminal laws. If the alleged criminal offense is also being considered for action within this student conduct system, the College may inform off-campus authorities of how such matters will be handled within the College community.
- E. A student who takes a leave of absence or withdraws from the College while disciplinary action is pending, or who is involved in an alleged violation after a leave of absence or withdrawal, is subject to disciplinary review before permission to re-enroll would be granted. In such cases, the College retains the right to investigate and to decide responsibility regardless of whether the student elects to participate in the process.

SECTION 2: CAMPUS LIFE & COMMUNITY STANDARDS COMMITTEE

The Campus Life and Community Standards (CLCS) Committee formulates and recommends policy related to the nature and quality of life on campus, represents the faculty and the student body in hearings concerning the Honor Code and appeals concerning the non-academic student conduct system, and provides faculty consultation to the Athletics Department.

The Campus Life & Community Standards Committee consists of five full-time faculty members selected according to procedures governing appointment of faculty to standing committees of the College; an appointed member of the Staff Advisory Committee; six full-time students appointed by Allegheny Student Government and approved by a two-thirds vote of the ASG Senate; the Dean of Students, Associate Dean of Students for Wellness, Associate Dean of Students & Director of Student Leadership & Involvement, Director of Counseling & Personal Development, Associate Dean & Director of Residence Life, Associate Dean & Director of the IDEAS Center, and Title IX Coordinator.

Members of the Campus Life & Community Standards Committee serve as a pool of representatives for campus hearing board. The ASG President, Vice-President, and members of the Honor Committee are not eligible to serve on the committee. Additionally, student members who are on Probation during the time of service will not be eligible to serve on the committee.

Discriminatory & Sexual Harassment Review Board

The Discriminatory & Sexual Harassment Review Board is responsible for hearing appeals of case outcomes related to harassment and sexual discrimination. A quorum shall consist of three faculty and staff members.

Honor Code Review Board

The Honor Code Review Board is responsible for hearing academic integrity/Honor Code Violations and appeals of administrative decisions. A quorum for the Honor Code Review Board shall consist of one student and two faculty.

Community Standards Review Board

The Community Standards Review Board is responsible for hearing appeals of case outcomes related to non-academic, residential and general policy and procedures, and Code of Conduct violations. A quorum shall consist of one faculty, one staff and one student.

By using the computer facilities at Allegheny College, students acknowledge their awareness of College policies concerning computers and that they will be held accountable through the Student Conduct System if they are found to have violated one or more of these policies. In addition, students who connect their personal computers to the campus network will be held responsible for any violation of these policies that originate from that computer. College computing policies prohibit the abuse of computing facilities and/or accounts, including, but not limited to:

SECTION 4: ACADEMIC CONDUCT

Any member of the College community may report an alleged violation of the Honor Code. Such reports shall be prepared in writing and directed to the Honor Committee. Reports should be submitted as soon as possible after the alleged violation occurs.

HONOR CODE

The Academic Honor Program is designed to promote individual responsibility and integrity in academic affairs and to develop an atmosphere conducive to serious independent scholarship. Allegheny's Honor Code is different than those of many other colleges because it is a student code, developed and upheld by the students themselves rather than imposed by the College administration.

A voluntary honor system was established in 1960, and by 1962 over two-thirds of the student body participated in the program. The following year, the student body voted to make the honor program mandatory. This decision, also approved by the faculty and administration, first applied to the class that entered the College in 1964. Every three years since 1990, the Honor Committee conducts a student refer-

endum to determine if the student body wishes to continue the honor system. The Honor Code has consistently been supported by an overwhelming majority of students. The Honor Program operates under the following Honor Code:

ARTICLE I

The Honor Program shall apply to all work submitted for academic credit or to meet non-credit requirements for graduation at Allegheny. This includes all work done in class (examinations, quizzes, and laboratory work), all papers, and any other material so designated by the instructor. All students who have enrolled in the College will work under the Honor Program. The College assumes that the integrity of each student and of the student body as a whole will be upheld. A primary responsibility of each student is the maintenance of honesty in one's own academic work. In addition, it is the moral obligation of each student to help maintain the integrity of the entire College community.

ARTICLE II

By virtue of matriculation in the College, each student acknowledges the following:

I hereby recognize and pledge to fulfill my responsibilities, as defined in the Honor Code, and to maintain the integrity of both myself and the College community as a whole.

ARTICLE III

Section 1

If one student observes another committing what appears to be an act of dishonesty in academic work it is the observer's responsibility to take the appropriate action. Students are encouraged to inform either the instructor or a member of the Honor Committee. However, whatever action the observer takes must fulfill the obligation to uphold the integrity of the College community. Failure to do so is as injurious to the honor of the College community as is the observed act of dishonesty and constitutes an infraction of the Honor Code.

Section 2

The following practices are considered to be violations of the Honor Code in examinations, tests, quizzes; in laboratory and computing exercises; and in any other assigned coursework: any attempt to receive or give unauthorized assistance from written, printed, or recorded aids, from any person, or from another's work. Any attempt to receive or give unauthorized assistance by means of an electronic device (cell phones, PDAs, etc.) is also a violation of the Honor Code.

Section 3

Plagiarism is defined as using the ideas or words of another without citing the sources from which the ideas or words are taken. In take-home examinations, papers, and reports, the following must be carefully observed:

- A. Any sequence of words taken verbatim from another source not original with the student must be enclosed in quotation marks and its source fully and accurately identified. Such material must be quoted accurately.
- B. Any sequence of words taken verbatim from any other work of the student must be enclosed in quotation marks and its source fully and accurately identified. (See Section 4)
- C. Where the ideas of another are paraphrased or interpreted, quotation marks cannot be used. In these cases, the student must fully and accurately cite the source. In addition, the language and sentence structure must be that of the student and not of the original source author. While each instructor who assigns a paper, report, or examination may direct students to a particular style for footnote and bibliographic documentation, the rules noted above must be followed. Ignorance here or in any other part of the code is no excuse.

Section 4

No work submitted for one course may be submitted also for another course except with the explicit approval of both instructors.

Section 5

Instructors are expected to explain their policies regarding help received in any assigned work for their course to each class at the start of each term, preferably including the material in a printed syllabus for the course. However, it remains the student's responsibility to know and to understand these policies.

ARTICLE IV

Section 1

Tests and examinations at Allegheny need not be proctored. Instructors may remain in the room or in a nearby room but must remain in the building to be available to answer questions that may arise during the course of the examination.

Section 2

Examinations are confined to the building in which they are given. Students shall have freedom of movement within that building. Students may not leave the building or take materials related to the exams into restrooms unless explicitly permitted to do so by the instructor, or unless the instructor declares the test to be written at home or other parts of the campus. Additionally, exams may not be taken behind a locked door. It is the student's responsibility to ensure that the door to the room remains unlocked during the entire exam.

Section 3

Regardless of where the test or examination is taken, the student is responsible for obtaining any changes or corrections. Instructors are not under obligation to search out students to provide this information. Furthermore, the exam must be handed in at the time requested.

Section 4

In recognition of the responsibilities of the Honor Program, a student, when submitting a test or paper, shall sign their full name in signature. If a student neglects to do this, the instructor must notify the student and allow an opportunity for signing the paper. Moreover, work is not to be considered as graded until the signature appears. The lack of a signature does not exempt any work from the Honor Code. For electronically submitted assignments, each professor may determine how their students will recognize the pledge.

Honor Code Hearing Process

- A. The Honor Committee will inform the Assistant Dean of Students of its intention to refer the alleged violation of the Honor Code to the Campus Life and Community Standards Committee. Within 5 business days, the Assistant Dean of Students will inform the accused student of the following information regarding the hearing process:
- the time, date and place of the hearing;
 - the specific section(s) of the Honor Code that has allegedly been violated;
 - that the student is permitted and encouraged to choose a Community Support Person who will accompany him/her to the hearing. A Community Support Person is a person chosen by a student to serve in an advisory capacity during the student's involvement in the student conduct system. The primary role of the Community Support Person is to assist the student in preparing for hearings and to attend hearings as support for the student. The student is responsible for presenting his/her own information and, therefore, advisors are not permitted to speak or participate directly in any meetings/hearings without approval. A Community Support Person for cases involving alleged violations of the Honor Code must be a current student or employee of the College.
 - that the student is permitted and encouraged to meet with a College staff member to discuss the hearing. During this meeting, the student will be provided the opportunity to review the Honor Committee Report which is developed by the Honor Committee Review Panel after the Panel meets with the student. The Report is provided for review only, and is retained in the Dean of Students office;
 - that the student is permitted and encouraged to speak on his/her own behalf, to present relevant information, and to present a written statement to the committee;
 - that the student is permitted and encouraged to bring relevant and necessary witnesses to the hearing.

- B. The committee will conduct a hearing to receive and consider relevant facts about the alleged violation, to discuss the alleged violation, to determine whether the Honor Code has been violated, and to determine sanctions, if appropriate.
- C. An audio tape recording is made of the hearing and retained by the Assistant Dean of Students pending an appeal.
- D. Only the Office of the Provost and the Dean of Students Office will have access to the tape and it will be used only for the College appeal process. No recording devices, other than the official tape, may be used during the proceedings. A file containing all records pertinent to the alleged violation is maintained by the Assistant Dean of Students. The tape and file are the property of Allegheny College. No other materials or notes related to the hearing should leave the room at the conclusion of the proceedings.
- E. During the hearing, members of the Campus Life and Community Standards Committee, the Honor Committee representative, the accused student and Community Support Person will be present, along with the Assistant Dean of Students.
- F. The committee will listen to all relevant information and facts from:
 - the accused student;
 - the Honor Committee representative;
 - any witnesses, including the course instructor or teaching assistants, if appropriate.
- G. Any member of the College community may be called as a witness by any of the parties involved with the alleged violation. Witnesses are permitted in the hearing only while presenting their testimony and responding to questions. The committee may determine the relevance of information and reasonably limit the participation of the witness accordingly.
- H. Technical rules of evidence, such as those that apply in civil or criminal courts of law, do not apply to the hearing. Participants in the hearing may address comments and questions only to the committee.
- I. When the committee has heard and/or received all relevant information and documents, the committee will enter executive session where only committee members may be present. After reviewing the information presented during the hearing, the committee will decide whether the Honor Code has been violated and will assign sanctions, if appropriate. The committee's decision shall be made on the basis of whether it is more likely than not that the accused student violated the Honor Code. All decisions of the committee are by simple majority vote. In the case of a tie vote, the matter will be considered to be concluded with no finding of a violation of the Honor Code.
- J. After a decision has been reached, the committee will reconvene the hearing to inform the accused student of the decision. Additionally, the committee will report the outcome to the Assistant Dean of Students who will notify the accused student of the decision in writing within 5 calendar days from the date of the hearing.
- K. Any student failing to attend a scheduled hearing does so with the understanding that the hearing may be held in his/her absence.

Appeal to the Provost

- A. The decision of the committee may be appealed to the Provost of the College by the accused student within 5 calendar days from the date of the letter notifying him/her of the decision of the committee. Such appeals shall be in writing and delivered to the Provost, with a copy to the Assistant Dean of Students.
- B. In the written appeal, it is the responsibility of the person presenting the appeal to demonstrate grounds for the appeal. Appeals may be made on the following grounds:
 - New facts not available at the hearing. If the facts were withheld at the original hearing by the person presenting the appeal, those facts may not be brought forward as grounds for appeal;
 - A violation of the process as described in this student conduct system that significantly and materially affected the student's ability to present complete information to the Campus Life and Community Standards Committee.
- C. The Provost may uphold or overturn the decision of the committee, return a case to the committee for further processing, or reduce or affirm any sanction.
- D. The decision of the Provost is final.

Honor Code Amendments

The Honor Code may be amended by a three-fourths vote of the full membership of the Honor Committee in consultation with Faculty Council and the Dean of Students Office.

SECTION 5: NON-ACADEMIC CONDUCT

Any member of the College community may report an alleged violation by a student of the college's non-academic policies and/or standards of conduct. Such reports shall be prepared in writing and directed to the student conduct officer. (Reports of alleged violations of the college's Policy Against Discrimination and Sexual Harassment, however, should be made and submitted as described in that policy. Reports should be submitted as soon as possible after the alleged violation occurs, by submitting an incident report form to the Title IX Coordinator or Title IX Deputies (accessible from the Title IX Webpage) or by filing a report with the Public Safety .

INVESTIGATION & ADMINISTRATIVE RESOLUTION

Please Note: For cases involving alleged violations by a student of the College's Policy Against Discriminatory and Sexual Harassment, the provisions in #1 below do not apply. Rather see the Policy Against Discriminatory and Sexual Harassment on page 58 for the applicable process for such cases.

1. The student respondent will be contacted by the Student Conduct Officer (or designee) and will be presented with the allegation(s) against them. The student, after notification, may accept or deny responsibility for the infraction. If the student accepts responsibility, no further inquiry or investigation is generally necessary and the Student Conduct Officer will recommend a sanction and/or other appropriate corrective action to the Dean of Students. If the student respondent does not accept responsibility, the Student Conduct Officer (or designee) will undertake an appropriate investigation of the matter and make a recommendation regarding responsibility. As part of this process, the Student Conduct Officer will schedule an administrative resolution conference with the student respondent. During this conference, the student respondent is permitted to have access in the office to the information related to the incident, to respond to the information and offer additional relevant information and witnesses. Incident reports and information related to the conference cannot be duplicated or removed from the office. The Student Conduct Officer (or designee) will inform the respondent of the recommended finding regarding responsibility and recommended sanctions either at this conference or promptly following the conference. Resolutions for students found to be responsible for violating College policy can include sanctions described in Articles VI and IX of this non-academic Code of Conduct. Sanctions will be recommended by the Student Conduct officer (or designee). For incidents in which the behavior would not likely result in suspension or expulsion, a recommendation may be made without an administrative resolution conference. In these cases, the student, upon reviewing the recommendation, may request a conference to discuss the incident or the recommendations. If the student chooses not to request a conference after reviewing the recommendations, the student will not be allowed to contest the decision.
 - During all phases of this process, the respondent (as well as student complainants) are permitted to be accompanied by a Community Support Person. A Community Support Person is a person chosen by a student to serve in an advisory capacity during their involvement in the student conduct system. The primary role of the Community Support Person is to assist the student in preparing for meetings/hearings and to attend meetings/hearings as support for the student. The student is responsible for presenting his/her own information and, therefore, advisors are not permitted to speak or participate directly in any meetings/hearings without approval from the convener. The Community Support Person role is to support and advise the student but not to advocate on the student's behalf or to examine/cross-examine other parties or witnesses. The Community Support Person may not view the contents of the investigative file or materials related to a case.
2. Except in cases involving alleged violations of the Policy Against Discriminatory and Sexual Harassment, a Community Support Person must be a current student or employee of the College. In

cases involving alleged violations of the College's Policy Against Discriminatory and Sexual Harassment, the student may be accompanied by an advisor of choice.

3. Any student failing to attend or reschedule a scheduled investigatory/administrative resolution conference with the Student Conduct Officer or designee does so with the understanding that the conference may be held in their absence and that the student may be additionally charged with a violation of College policy for abuse of the student conduct system.
4. For alleged behavior that may result in suspension or expulsion from the College, the student will be notified in writing about the date and time of the investigatory/administrative resolution conference. The notice will also include the nature of the specific alleged violations of College policy.

APPEAL PROCESS FOR INVESTIGATION & ADMINISTRATIVE OUTCOME

Any student wishing to contest the outcome of the matter following the investigatory/administrative resolution phase of the process may do so by notifying the Student Conduct Officer, or in cases involving the Policy Against Discriminatory and Sexual Harassment, the Title IX Coordinator, in writing, within 5 business days after receiving written notification of the findings and recommendations of the Student Conduct Officer or designee. The matter would then be referred for hearing to the Community Standards Hearing Board.

INTERIM MEASURES

For incidents that pose immediate concerns for the safety and welfare of the campus community, during pending College disciplinary proceedings, the Dean of Students (or designee) may take summary action or implement interim measures that limit a student's ability to be present on campus, engage in coursework, and/or interact with specific members of the College community until resolution is reached.

COMMUNITY STANDARDS REVIEW BOARD

1. Once a matter has been referred to the Community Standards Hearing Board, the Dean of Students Representative will contact the accused student and the complainant within 5 business days and inform them of the following as it relates to the hearing:
 - time, date and place of the hearing;
 - specific College policies that have allegedly been violated;
2. that student complainants and respondents are permitted and encouraged to have a Community Support Person accompany them to the hearing. A Community Support Person is a person chosen by a student to serve in an advisory capacity during a student's involvement in the student conduct system. The primary role of the Community Support Person is to assist the student in preparing for meetings/hearings and to attend meetings/hearings as support for the student but not to advocate on the student's behalf or to examine/cross-examine other parties or witnesses.
 - a) The student is responsible for presenting their own information and, therefore, advisors are not permitted to speak or participate directly in any meetings/hearings without approval. As discussed below, in cases involving alleged violations of the College's Policy Against Discriminatory and Sexual Harassment, the student may be accompanied by an advisor of choice. In other types of cases, the Community Support Person must be a current student or employee of the College.
 - b) That the student is permitted and encouraged to meet with a College staff member to discuss the hearing process and to be accorded reasonable access to the disciplinary file, which will be reviewed and retained in the Dean of Students office; in cases involving alleged violations of the Policy Against Discriminatory and Sexual Harassment files and other materials will be retained in the Title IX Coordinator's office. File contents may not be copied, photographed or otherwise duplicated and the Community Support Person/Advisor of Choice may not view the contents of the file or other materials related to the case.
 - i. that the student is permitted and encouraged to speak on their own behalf, to present relevant information, and to present a written statement to the committee 24 hours prior to the hearing; community support persons and/or advisors of choice are not permitted to speak or participate directly in any meetings/hearings without approval. The community support person/advisor of choice role is to support and advise the student but not to advocate on the student's behalf or to examine/cross-examine other parties or witnesses.

- II. that the student is permitted and encouraged to bring relevant and necessary witnesses to the hearing.
3. The Board will conduct a hearing to consider relevant information about the alleged violation, to discuss the alleged violation, to determine whether College policy, rules and/or regulations have been violated, and to determine sanctions, if appropriate.
4. An audio tape recording is made of the hearing and retained by the Dean of Students Representative pending an appeal or in cases of alleged violations of the Policy Against Discriminatory and Sexual Harassment, retained by the Title IX Coordinator. Only the Dean of Students Office, or Title IX Coordinator, and the Office of the Executive Vice President will have access to the tape, and it will be used only for the College appeal process. No recording devices, other than the official audio recording, may be used during the proceedings. A file containing all records pertinent to the alleged violation is maintained by the Dean of Students Representative or in cases of alleged violations of the Policy Against Discriminatory and Sexual Harassment, the Title IX Coordinator. The audio recording and documentary file are the property of Allegheny College. No other materials or notes related to the hearing should leave the room at the conclusion of the proceedings.
5. During the hearing, members of the committee, the complainant, the respondent, the Student Conduct Officer or investigator, and Community Support Person(s) may be present to hear all facts and other information related to the alleged violations. The Assistant Dean of Students, and in cases of alleged violations of the Policy Against Discriminatory and Sexual Harassment, the Title IX Coordinator, will also be present. The committee will listen to all relevant information from:
 - The complainant;
 - The accused student; and
 - Other relevant witnesses.
6. Any member of the College community may be called as a witness by any of the parties involved with the alleged violation. Witnesses are permitted in the hearing only while presenting their testimony and responding to questions. The committee may determine the relevance of information and reasonably limit the participation of the witness accordingly. Technical rules of evidence, such as those that apply in civil or criminal courts of law, do not apply to the hearing. Participants in the hearing may address comments and questions only to the committee.
7. When the committee has heard and received the relevant information and documents offered by the parties during the hearing, the committee will adjourn the hearing and move to executive session when only committee members may be present. In executive session, the committee will deliberate and decide whether they believe the respondent is responsible for violating the Code of Student Conduct and, if so, will assign sanctions, if appropriate.
8. The committee's decision shall be made on the basis of whether it is more likely than not that the accused student violated the Code of Student Conduct. All decisions of the committee are by simple majority vote.
9. After a decision has been reached, the committee will report the outcome to the Dean of Students Representative or in cases of alleged violations of the Policy Against Discriminatory and Sexual Harassment, the Title IX Coordinator, who will notify the respondent and the complainant of the decision in writing within 5 business days from the date of receiving the report from the committee.
10. Any student failing to attend a scheduled hearing does so with the understanding that the hearing may be held in his/her absence.

SECTION 6: SANCTIONS

For academic and non-academic conduct matters, the following sanctions may be assigned. Types of Behaviors and Sanctions are outlined in Section 7.

1. **Interim Measures:** For incidents that pose immediate concerns for the safety and welfare of the campus community, during pending College disciplinary proceedings, the Dean of Students (or designee) may take summary action or implement interim measures that limit a student's ability to be on campus, engage in coursework, and/or interact with specific members of the College community until resolution is reached.
2. **Restrictions and Loss of Privileges:** Examples include, but are not limited to, restriction from visiting a specific residence hall, dining facility, or other specific areas on campus; restrictions

from attending or participating in extracurricular activities, Greek formals or other social events, athletic events, concerts, or other campus programs; loss of off campus housing privileges. A copy of the restriction sanction is placed in the student's file and copied to the appropriate College officials. Notification may be given to parents or guardians.

3. **Warning:** A Warning is notice that the student's behavior is unacceptable to the College community and that further misconduct may result in more severe penalties. Warning is for a specified period of time, usually not to extend beyond two years and may be accompanied by conditions and/or other educational sanctions. Records are maintained in the student's file in the Dean of Students Office and are taken into account in the event of future violations. **After the Warning period, the Warning will not be externally reported outside the College community as part of the student's disciplinary record and will be removed from the students file upon graduation from the college or three years after permanent withdrawal from the college. In certain instances, parents (guardian) or advisors may be notified.**
4. **Probation:** Probation is notice that the student is no longer in good standing with the College community. Probation is for a specified period of time and may be accompanied by restrictions on activities or the requirement that specific activities be performed and/or other conditions be met, as deemed necessary and appropriate. Violation of Probation is considered grounds for further action, including Suspension. At the conclusion of the Probation period, the student is returned to good standing. Records are maintained in the student's file in the Dean of Students Office and are taken into account in the event of future violations. In general, and in accordance with the College's policy regarding Parental Notification in Student Conduct situations, parents are notified when a student is placed on probation, so long as permitted by FERPA. The student's academic advisor is notified when a student is placed on probation. **Records of Probation remain in the students file until graduation from the college or three years after permanent withdrawal from the college. Probation records are externally reported only if the student has not graduated from the college or in the case where it is within three years after permanent withdrawal from the College.**
5. **Suspension:** Suspension encompasses exclusion from the campus and from all activities related to the College, whether on or off campus, for a specified period of time including the activities of College-recognized or sponsored organizations. The time specification may be a calendar date or the time at which certain accompanying conditions and/or other requirements have been satisfied. Violation of Suspension is considered grounds for further action, including Expulsion from the College. Records are maintained in the student's file in the Dean of Students Office and are taken into account in the event of future violations. In accordance with the College's policy regarding Parental Notification in Student Conduct situations, parents are notified when a student is suspended, so long as permitted by FERPA. The student's academic advisor is notified when a student is suspended.
6. **Expulsion:** Expulsion encompasses permanent separation from the College. Expulsion means that a student may not enroll at the College nor participate in College activities whether on or off campus. Records are maintained in the student's file in the Dean of Students Office and are taken into account in the event the student seeks re-admission at some point in the future. In accordance with the College's policy regarding Parental Notification in Student Conduct situations, parents are notified when a student is expelled, so long as permitted by FERPA. The student's academic advisor is notified when a student is expelled.
7. **Withholding Degree:** Because a degree from the College signifies not only successful completion of academic requirements but also compliance with the College's standards and good standing as a member of the College community, the College may withhold a degree entirely as a sanction for a violation of its policies, rules, or regulations, or may impose further conditions on the certification of a degree (e.g., compliance with other sanctions imposed as a prerequisite to the certification of the degree).
8. **Revocation of Admission and/or Degree:** Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

9. Notations on Transcripts: Sanctions are not typically placed on a student's transcript. Due to certain circumstances, if a conduct officer or committee determines that a sanction should be placed on a student's transcript, and the Executive Vice President or, for honor code violations the Provost, agrees, then notation of the sanction will appear on the transcript and in the Dean of Students Office file.
10. Other Sanctions: Any sanction may be accompanied by, or substituted with, appropriate activities the student is directed to undertake, including: financial restitution, community restitution (programming requirements or community service hours), being barred from residence halls and/or other campus buildings, being restricted from participation in College-sponsored or College-recognized activities or organizations, or being prohibited from or limited in College employment. The student will be given specific deadlines for the completion of such activities, and failure to meet the deadlines may be grounds for further disciplinary action. Records are maintained in the student's file in the Dean of Students Office and are taken into account in the event of future incidents.
11. Academic course work: The following sanctions are recommendations to an instructor who may assign them after the decision of the conduct committee in cases involving alleged violations of the Honor Code:
 - i. Redo the work in question with or without credit;
 - ii. Fail assignment in question;
 - iii. Fail the course.

SECTION 7: LEVELS OF BEHAVIORS AND POSSIBLE SANCTIONS

As an educational institution, Allegheny College has the authority to establish and enforce reasonable policies, rules and regulations regarding the conduct of its students for purposes of protecting the integrity of its educational program and the safety and security of the campus community and its constituents. Upon admission to Allegheny, students acknowledge both the authority of the College and that they will be held accountable for their behavior. Set forth below are types of behaviors that constitute misconduct for which students of Allegheny may be held accountable under the Student Conduct System. This list is not intended to be exhaustive, and any violation of College policies, rules, or regulations, or violation of applicable federal, state, or local laws necessarily violates the community standards of Allegheny College.

Level 1 Behaviors

Level 1 behaviors are those that would be considered relatively minor violations of the Code of Student Conduct, particularly if they have not caused serious harm or been detrimental to the College community in significant ways. They may include, but are not limited to the following:

- minor violations of College and residence hall regulations
- disorderly conduct
- public intoxication
- providing false information to a College official or faculty member.

Possible Sanctions

Typical sanctions are primarily to educate the student regarding the inappropriateness of their behavior, resolve issues that may have resulted in problematic behavior, and restore relationships with other members of the community. Sanctions may include, but are not limited to:

- written Warning
- educational sanctions
- restitution
- letter(s) of apology
- community service

Level 2 Behaviors

Level 2 behaviors include repeated or more serious instances of Level 1 behaviors. In addition, these behaviors tend to have a greater impact on the community as well as broader implications for the individual, resulting in a more significant violation of the Code of Student Conduct. Level 2 behaviors may include, but are not limited to, the following:

- violations of the College's drug and alcohol policies
- theft of College property or another person's property
- violations of the College's computer use policies,
- verbally abusing another person
- major violations of residence hall policies

Possible Sanctions

Sanctions imposed attempt to correct the behavior and prevent further violations. While sanctions described in Level 1 may be used at this level, additional sanctions could include, but are not limited to, the following:

- probation
- restrictions and/or loss of privileges (*contact, residential visitation, attendance, and/or participation in activities, events, programs, etc.*)
- restitution
- counseling
- letters of apology

Level 3 Behaviors

Level 3 behaviors are more serious violations of the Code of Student Conduct. They include repeated and/or more serious instances of actions described in Level 1 and 2 behaviors. In addition, these behaviors are more intentional, malicious and/or have a greater likelihood of causing harm. Behavior that would be considered Level 3 behaviors would include, but are not limited to, the following:

- violations of the College's Policy Against Discriminatory and Sexual Harassment, Sexual Assault and Other Forms of Sexual Violence, Dating Violence, Domestic Violence and Stalking (College Policy No. 4)
- engaging in behaviors that target individuals and/or groups in harmful ways based on race/ethnicity, sexual orientation, etc.
- injuring another person, hazing, providing alcohol to underage students or guests, and other violations of the College's drug and alcohol policies or applicable state, federal or local laws regarding drugs and alcohol.

Possible Sanctions

Sanctions at this level address behavior which is of an elevated concern regarding the individual and may signify behavior considered to pose a threat to the campus community and/or the individual. While many of the sanctions described in Level 1 and 2 may apply, sanctions at this level could include, but are not limited to, the following:

- residential relocation
- suspension or ban
- restitution
- suspension from Allegheny College for a specified period of time, and will likely include conditions for return.

Level 4 Behaviors

Level 4 behaviors are actions that would be considered the most major violations of the Code of Student Conduct. These include repeated and/or more serious instances of actions described as Level 1, 2, and/or 3 behaviors, but also are individual actions that are particularly egregious and are of most concern for the Allegheny College community. Behaviors that would be considered to be Level 4 behaviors include, but are not limited, to the following:

- having nonconsensual sexual contact with another person
- rape (or attempted rape) and other forms of sexual assault/sexual violence
- serious violations of the Honor Code
- threatening or using any type of weapon
- manufacturing, selling or distributing illegal drugs
- arson

Possible Sanctions

At this level, the primary focus of the disciplinary system is concern for the safety and security of the College community. While some sanctions described in Levels 1, 2, and 3 may be imposed, the following types of sanctions are likely to result at this level:

- ban from Allegheny College campus and all College events/activities
- withholding degree
- revoking admission and/or degree
- expulsion from Allegheny College

SECTION 8: FINAL APPEAL TO THE EXECUTIVE VICE-PRESIDENT

1. The decision of the committee may be appealed to the Executive Vice President of the College by any party to the case within 5 business days following receipt of written notification of the decision of the Campus Life and Community Standards Committee. Such appeals shall be in writing and delivered to the Executive Vice President, with a copy to the Student Conduct Officer. In cases involving alleged violations of the College's Policy against Discriminatory and Sexual Harassment, a copy of the appeal shall also be delivered to the Title IX Coordinator.
2. In the written appeal, it is the responsibility of the person presenting the appeal to demonstrate the grounds for the appeal. Appeals may be made on the following grounds:
 - New facts not available at the hearing. If the facts were known but withheld during the original hearing by the person presenting the appeal, those facts may not be brought forward as a ground for appeal.
 - A violation of the process as described in this student conduct system that significantly and materially affected the student's ability to present complete information to the committee.
 - The committee's decision was unsupported by any substantial evidence at the hearing.

The Executive Vice President may uphold or overturn the decision of the committee, return a case to the committee for further processing, or reduce or affirm any sanction.
3. The decision of the Executive Vice President is final.

SECTION 9: ORGANIZATIONAL CONDUCT

1. Upon recognition by the College, student organizations become responsible for acting in accordance with College policies and all other applicable College regulations. The College may take action when the behavior of the members of a student organization violates College policy. Both individual and organizational disciplinary action may be pursued for the same conduct.
2. Student organizations may be held responsible for the acts of individual members when some of its members act together or when the members are acting on behalf of the organization. These acts include, but are not limited to, the following categories:
 - a. When a member is in violation of College policy and other members are present, by failing to discourage such activity, tacitly condoning the violation;
 - b. When the violation is directly related to the organization's activities or an environment created by the organization.
3. Alleged violations will be adjudicated as outlined in Article IV of this process.
4. The following sanctions may be imposed upon student organizations found to have violated College policy:
 - a. The sanctions of Warning and Probation plus other Educational Sanctions as outlined in Article VI of this process;
 - b. Deactivation which entails loss of privileges, including College recognition and funding, for a specified period of time.

5. Fraternities and Sororities must follow all provisions of the “Allegheny College Greek Supplement” located at <http://sitesmedia.s3.amazonaws.com/studentinvolvement/files/2014/08/compass-supplement.pdf>.

SECTION 10: AUTHORIZATION FOR SEARCH

The members of the Dean of Students Office, other professional employees on call for the Dean of Students Office, members of the Office of Residence Life, professional staff members of the Department of Athletics, and/or Security Officers of the College may search a student room, athletic locker, or other College property in use by a student when it appears that College policies may have been violated, including possible criminal activity.

A. All searches of a student room, athletic locker, or other College property in use by a student will comply with the following rules:

1. Plain View Rule: A Public Safety Officer, members of the Dean of Students Office, other professional employees on call for the Dean of Students Office, members of the Office of Residence Life, and professional staff members of the Department of Athletics may seize evidence of a violation of college policy, without obtaining a search warrant, when that evidence is in plain view. Only Public Safety Officers may seize evidence of a crime without obtaining a search warrant when that evidence is in plain view.
2. Consent to Search: Consent searches are searches made by security officers, Dean of Students Office, other professional employees on call for the Dean of Students Office, members of the Office of Residence Life, professional staff members of the Department of Athletics based on the consent of the individual whose person or property is being searched. Without consent to search, Public Safety Officers, Dean of Students Office, other professional employees on call for the Dean of Students Office, members of the Office of Residence Life, and professional staff members of the Department of Athletics may not conduct a search of a room beyond plain view unless they have secured a search warrant.
3. Search Warrant: Public Safety Officers (or other law enforcement officers) may enter and search when they have an obtained a legal document authorizing the law enforcement official to enter and search premises.

B. Health & Wellness. If there is a concern for a student’s safety, the Dean of Students (or designee) or professional Residence Life staff (non-students), upon hearing the initial facts, may authorize entry into a room. Once authorization is given, the designated representative(s) of the Dean of Students Office may enter a student room without permission of the residents to ensure the health, safety and general well-being of the student.

Students may file a complaint with the Dean of Student’s Office if the student believes a search or room entry violates the aforementioned guidelines. If the student believes that they were targeted for inspection because of bias based on age, ancestry, color, disability, gender, gender identity, national origin, race, religion, religious practices, or sexual orientation they are encouraged to contact the Dean of Student’s Office to explore options to file a concern.

SECTION 11: DISCIPLINARY RECORDS

1. Disciplinary records are maintained in the Dean of Students Office. Disciplinary records regarding violations of the College’s Policy Against Discriminatory and Sexual Harassment are maintained by the Title IX Coordinator. Please refer to the Policy regarding the Privacy of Student Records for details about access to disciplinary records.
2. Records of Suspension and Expulsion from the College are permanent. Records of other sanctions are maintained for at least three years following a student’s graduation, permanent withdrawal, or other form of permanent departure from the College unless required by law to be maintained for a longer period of time.
3. Records of Probation remain in the students file until graduation from the college or three years after permanent withdrawal from the college. Probation records are externally reported only if the student has not graduated from the college or in the case where it is within three years after permanent withdrawal from the College.

4. Records of Warning are maintained until graduation or three years after permanent withdrawal from the College but are not externally reported as a part of the disciplinary record after the Warning period has elapsed. Records of other educational sanctions are maintained until graduation or two years after permanent withdrawal from the College but are not externally reported as a part of the disciplinary record unless they accompany Suspension or Expulsion.
5. All potential recipients of Summa Cum Laude, Magna Cum Laude, Cum Laude will be screened for Honor Code violations. The sanctions of Probation, Suspension, or Expulsion received for academic violations will disqualify a student from consideration for Latin honors.

SECTION 12: INTERPRETATION

Any questions about the administration or interpretation of this system shall be referred to the Dean of Students for final determination, except that questions about the administration or interpretation of this system as it pertains to alleged violations of the College's Policy Against Discriminatory and Sexual Harassment should be referred to the Title IX Coordinator.

SECTION 13: REVISIONS

This student conduct system shall be reviewed periodically and at least every three years under the direction of the Student Conduct Officer and the Executive Vice President. Allegheny Student Government and the Campus Life and Community Standards Committee will be consulted when the student conduct system is reviewed. Any material amendments to the disciplinary system (unless required by law) require a simple majority vote of the ASG Senate and the Allegheny faculty and the approval of the President.

SECTION 14: EXTRAORDINARY CIRCUMSTANCES

This conduct system may be temporarily altered if warranted by extraordinary circumstances. The Dean of Students (or designee) and the Student Conduct Officer will consult each other prior to any change.

OTHER COLLEGE POLICIES

The following represent other College policies on our campus. These policies are not intended to be a fully exhaustive list of all policies and procedures.

ADVERTISING

Promotional materials for any registered event and/or event sponsored by a College-recognized organization shall not make reference to alcoholic beverages or any type of drinking contests.

ALCOHOL POLICY

Section 1: Purpose

The living/learning component of a residential college is an important part of the Allegheny College experience. The goal of the College is to create a supportive community conducive to academic success, personal growth, and healthful lifestyles. Hence, the misuse of alcohol and controlled substances significantly interferes with the mission of the College and can adversely affect students' ability to learn in the Allegheny community. Allegheny College considers all of its members – faculty, staff, students, and visitors – to be mature persons and, accordingly, the decision to use alcohol legally and responsibly is an individual one. The College, through its emphasis on wellness, will educate members of the community regarding responsible use and the dangers of problematic use, and seeks to teach students how to live healthy and balanced lives.

Alcohol is one of the ongoing challenges to health and wellness in the lives of students. Alcohol influences people regardless of their choice to use or to abstain. At Allegheny, we expect students to manage their use of alcohol in responsible ways, while maintaining a drug-free lifestyle. Our goal is to minimize high-risk behavior and to support and respect students who choose not to drink or use other controlled substances.

Members of the community who are concerned about other students who misuse alcohol and other controlled substances, whether in crisis or not, are encouraged to talk with a professional staff member.

- Counseling Center 814-332-4368
- Health Center 814-332-4355
- Dean of Students 814-332-4356
- Public Safety 814-332-3357

Concerns about a faculty or staff member can be directed to the Provost or the Director of Human Resources.

All instances are evaluated on a case-by-case basis. The facts of policy violations of each case are reviewed individually and contribute to different outcomes and/or different sanctioning.

Restorative sanctions by service or education to the community may be utilized as an option in the community to address behaviors related to the misuse of alcohol. Examples of restorative sanctions include but are not limited to referral to our college counseling center, referral to alcohol.edu (online educational program), requiring reflection papers, community service, meeting with parent/guardian or athletic coach, participation in an off campus alcohol treatment program or removal from residence hall.

Section 2: Statement of Principles

- The College recognizes explicitly that students are adults, and they are expected to obey the law and take responsibility for their behavior.
- Students should understand that being under the influence of alcohol or other controlled substances in no way lessens their accountability to the College community, or their obligations under local, state and federal laws.
- Students will be held accountable if their use of alcohol violates applicable laws and/or College policy; threatens to create disorder, public disturbances, danger to themselves and others, or property damage; or interferes with the rights of other persons.
- Participation in student groups can result in additional accountability because of that organization's own policies concerning alcohol use. If an event is sponsored by an organization that is affiliated with a national organization with its own risk management policies and event guidelines, the group is expected to be in full compliance with the policies and guidelines of that national organization. Students will be held accountable for violations of those risk management policies.
- It is the aim of the College to support and respect those members of our community who choose not to use alcohol or and those of legal age who use alcohol responsibly.
- While it is not the intent of the College to police the personal lives of its students, the College does reserve the right to investigate suspicious circumstances.
- The College disclaims any intention to assume duties to protect its students from their own abuse of alcohol.

Good Samaritan Policy

Consistent with our commitment to encourage proactive bystander intervention, students who seek assistance for another student in need of help for drug or alcohol intoxication/poisoning or who seek help for a student who has been a victim of assault or other form of violence will not be subjected to punitive sanctions (i.e. probation, suspension, etc.) by the College for a drug or alcohol violation, nor will the student in need of assistance. However, students may still receive educational sanctions (i.e. required education about alcohol or drug abuse). Additionally, students who report being a victim of physical or sexual assault while intoxicated through voluntary or involuntary means will not receive disciplinary sanctioning by the College for an alcohol violation even if they are underage.

Section 3: Related Health Risks

As students make choices concerning the use of alcohol or other controlled substances, it is important to consider the health risks associated with consumption.

- Alcohol is the number one drug used in sexual assaults. The majority of sexual assaults occur when an individual is incapacitated due to the use of substances, primarily alcohol. Being incapacitated

by alcohol, or other drugs, makes a person unable to freely consent to sexual activity. Use of alcohol does not mean someone is willing to participate in sexual activity, and the victim of sexual assault is never to blame, regardless of the use of alcohol.

- Alcohol is a depressant. Although it may initially stimulate emotions, it slows heart rate and respiration and can cause intoxication, sedation, unconsciousness, and death.
- Mixing alcohol with prescribed medications or recreational drugs can be lethal.
- Alcohol impairs judgment, performance, memory, and motor skills; an impaired person cannot usually recognize their own impairment.
- Drugs can weaken the immune system.
- Drugs can cause cardiovascular conditions ranging from abnormal heart rate to heart attacks.
- Drugs can alter brain chemistry, which interferes with an individual's ability to make informed choices and decisions.

Blood Alcohol Content

Blood alcohol content (BAC) or blood alcohol concentration is the concentration of alcohol in blood. The average man's BAC will go up .02% for each standard drink he consumes, while the average woman's BAC will go up .035% for each standard drink she consumes. Alcohol is generally metabolized at the rate of one drink per hour. Below are associated effects of alcohol.

Sex. Alcohol affects people differently. Research indicates that alcohol's effects on many people assigned female at birth tend to be stronger and last longer. This is because many people assigned female at birth produce a smaller amount of alcohol dehydrogenase, an enzyme that breaks down alcohol in the stomach. As a result, they reach a peak BAC about 20% higher than people assigned male at birth do when consuming the same amount of alcohol.

Body Weight. Your weight affects the percentage of alcohol in your blood. A heavier person has more body fluids with which the alcohol will mix, and thus will have a lower BAC.

Strength of the Drink. The stronger the alcohol content in the beverage consumed, the higher the BAC will rise. A 1.5-ounce shot of 80-proof spirits, straight or in a mixed drink, a 5-ounce glass of wine, and a 12-ounce bottle/can of beer contain equivalent amounts of alcohol.

Size of Drink. A larger drink will contain more alcohol and result in a higher BAC than a smaller drink of the same alcohol strength. For example, a 24-ounce beer contains twice as much alcohol as a 12-ounce beer of the same brand.

Food. Food in the stomach does not absorb alcohol, but it might slow the rate at which alcohol is absorbed. All consumed alcohol will get into the blood eventually. Trying to prevent intoxication by drinking only on a full stomach will just result in becoming a well-fed person who might be intoxicated.

Time Spent Drinking. The faster a person consumes alcohol, the more quickly BAC will reach its peak. Spreading out drinking over time will result in a lower peak BAC, other factors being equal. For example, the BAC would reach a higher level if a person had three drinks in one hour than if a person had one drink each hour for three hours.

Signs of Alcohol Poisoning

- Unconscious or has slipped into a state of semi-consciousness
- Breathing has slowed to eight or fewer breaths per minute or lapses of longer than eight seconds between breaths
- Cold, clammy, pale or bluish skin
- Vomiting or gagging has occurred

More information about health risks can be found at <http://sites.allegheny.edu/deanofstudents/wellness-education/>.

Section 4: Jurisdiction

The jurisdiction of this policy is covered under JURISDICTION in the COLLEGE AUTHORITY section. Examples relevant to the Alcohol Policy include:

- The College expects all students to observe these regulations, including those living and gathering on and off campus and any student representing the College in both formal terms (for example, athletic teams and traveling music groups) and informal terms (for example, students attending a party off campus).
- Allegheny students participating in EL Travel Seminars (during summer or other semester breaks) are expected to follow Allegheny policies as stated in the EL Travel Seminar: Student Participation Agreement Form.
- Students studying away (summer, semester, or academic year programs) are expected to follow all alcohol-related laws of their host countries.
- The College requires that all visitors to campus follow Allegheny's Alcohol Policy. Students are responsible for the conduct of any of their guests on campus. All employees of the College are bound by the Drug Free Workplace Policy available through Human Resources.
- Students gathering in off campus locations are expected to observe these regulations.

Section 5: College Requirements

1. In accordance with state law, students under the age of 21 are not permitted to possess, transport, and/or consume alcohol. Alcohol is permitted only in rooms/houses in which at least one person living in the room/ house is of the legal drinking age.
2. No person may furnish alcohol to persons under the age of 21.
3. Alcohol & campus locations
 - a. Regardless of a student's age, alcoholic beverages are prohibited in any non-residential building, outside, and in any public areas of residential buildings including porches, corridors, lounges, study rooms, and bathrooms except when written approval is received in advance from the Dean of Students.
 - b. Open containers, carriers, or cups of alcohol are strictly prohibited outside of residential rooms/houses or approved registered events.
4. Consistent with NCAA regulations, alcohol is not permitted at Robertson Field Complex, volleyball and/or tennis courts during College sponsored events. Alcohol is not allowed in the stadium, Wise Center, or on any playing venues. Allegheny College's tailgating policy can be found here: http://www.alleghenygators.com/documents/2012/8/15/Tailgating_Policy.pdf?&tab=2
5. Public intoxication by persons of any age is prohibited. If a student is intoxicated and College staff view the person as unable to care for him/herself, the staff may choose to have the student transported to the hospital. This action will be taken to protect the student and the community and will be the financial responsibility of the student. Parents are generally notified if a student is hospitalized due to alcohol consumption.
6. As student health and safety is the College's main priority with regard to alcohol, we expect reasonable limits on alcohol amounts for those of legal age.
7. The College maintains the right to dispose of alcohol in instances when a person under 21 is consuming, even if a person of legal drinking age is present, or if there is a health and safety concern.
8. Pursuant to state law, grain alcohol is prohibited.
9. Common sources of alcohol (e.g., kegs, punch bowls, shared containers), empty or full, are prohibited. Exceptions may be made for approved College functions. Information on the approval process is available below.
10. In accordance with state law, alcoholic beverages may not be sold on campus except by licensed vendors. This includes, but is not limited to: cover charges, charging for cups, or "passing the hat."

All violations of the Alcohol and Drug Policy will be referred to the College student conduct system and may be referred to the criminal justice system. Information about the College student conduct system and sanctions can be found in the relevant section of *The Compass*. *Questions or concerns about any part of this policy should be directed to the Office of Student Leadership and Involvement or Office of Student Life.*

Section 6: Event Registration

Any event on campus property must be registered if there is alcohol present and if there are more than two guests per resident present. Event registration offers the following benefits to the College community and the event sponsors: it requires the sponsors to think through their plans carefully and to recognize their liability in sponsoring an event with alcohol, and it allows College staff to communicate directly with the event sponsors if a problem occurs. Event registration is designed to increase safety and communication between College staff and students. Complete guidelines and Event Registration forms can be obtained from the Office of Student Leadership and Involvement for outdoor events and from the Office of Residence Life for events in a college owned residence <https://alleghenycollege.wufoo.com/forms/event-planning-worksheet-with-alcohol/>.

Section 7: Spiritual and Religious Life

In accordance with Pennsylvania statute 18 § 6310.1.b law and with the approval of the Spiritual and Religious Life Office, a reasonable amount of wine may be served as an integral part of a religious service or ceremony. The Office of Spiritual and Religious Life may approve the service of alcoholic beverages at official campus religious events as part of religious rituals. In such cases, underage consumption of alcohol will be sanctioned for religious purposes only.

Pennsylvania State Alcohol and Drug Laws

As residents of Pennsylvania, students have a responsibility to observe state laws regarding the use of alcohol and other drugs. A copy of relevant sections of the Liquor and Crimes Codes of Pennsylvania is on file in the Office of Public Safety. Penalties for the use and possession of illicit drugs, along with illegal use of prescription drugs, vary greatly. Possession of a larger amount of a drug will typically result in charges of distribution, leading to much stiffer penalties.

Educational & Other Resources

It is recommended that any organization considering an event involving alcohol formulate and implement a program to increase alcohol awareness and prevent alcohol misuse for its members and guests. There are a number of resources available on and off campus to provide alcohol education or assistance with alcohol concerns:

Office of Residence Life

The Office of Residence Life is a valuable resource and provides much of the alcohol education programming on campus.

Counseling & Personal Development Center

The Counseling & Personal Development Center staff is available to address individual concerns, provide assessments and referrals for treatment off campus, and to provide information and education about alcohol use.

Winslow Health Center

The Winslow Health Center staff is available to assist individuals with situations involving alcohol that affect the physical well-being of a student.

ALL GENDER RESTROOM POLICY

There are many students, staff, and faculty members (who feel safer and are better served by all gender restrooms. Everyone is at their best academically and socially when they can access safe facilities on campus. Increasing the number of all gender restrooms enhances safety measures on our campus. Further, Allegheny's non-discrimination policy includes gender identity and expression as a protected class. All gender restrooms are an expression of that policy.

Allegheny College is committed to having safe and accessible campus restroom facilities. We recommend that individuals make choices about restroom usage based on their own level of comfort and their gender identity or expression. Currently, there are single stall restrooms in most campus buildings. All of our single stall restrooms are "all gender" restrooms, providing space for anyone, regardless of gender identity, to use that restroom. We also have all gender multi-user restrooms, meaning that multiple people can be in that restroom, regardless of gender identity.

CLASS ATTENDANCE POLICY

Students are expected to attend class regularly and communicate with their instructors about absences in a timely fashion. The following guidelines govern class attendance at Allegheny College.

1. With the exception of medical excuses (described in section 6 below), students are permitted to be absent from class only with the approval of the instructor. Unauthorized absences may result in grade penalty or other consequences at the discretion of the instructor. Course instructors are required to state their attendance policy at the outset of the course. Religious holidays and illness or death of a family member are generally recognized as legitimate reasons to miss class, although students should be prepared to provide documentation.
2. On occasion, college-related activities will conflict with class meetings. Faculty are not required to excuse students for these activities; however, many faculty are willing to make reasonable alternative arrangements for students who provide advance notice of anticipated absences, take responsibility for completing missed work, and make every effort possible to reduce disruption to the course as the result of their absences.
3. Sponsors of college-related activities should make every reasonable effort to avoid planning events that will conflict with class schedules. In addition, sponsors of these activities should provide notice to student participants and to faculty of anticipated absences at the earliest possible date. These notices will typically come from coaches in case of athletic conflict and from the Dean of Students Office in all other cases.
4. Students should take responsibility for providing advance notice of absences, for acquiring information or course materials distributed during the missed class meeting(s), and for completing make-up assignments.
5. Students should discuss potential conflicts with faculty advisors when planning for course registration and attempt to schedule class times that will not interfere with legitimate college activities whenever possible, keeping in mind that completing required courses is always the most important consideration.
3. Medical excuses from academic requirements such as tests, examinations, quizzes, laboratories, reports, papers, and other assignments are governed by the following policy. The illness or injury must be one which has been determined by medical authority to require bed rest for a period not less than 24 hours, immobilization, or treatment that can only be scheduled in conflict with class or laboratory work. This precludes excuses based on common complaints such as simple respiratory infections or colds, pulled muscles, headaches, and the like which medically interfere with normal academic activity. Excuses for courses in physical education are issued for medical problems which will prohibit participation. Illness or injuries are to be diagnosed and/or treated either by the College

physician or at a recognized medical facility off-campus. The staff of the Health Center will confirm diagnosis or treatment within 24 hours following, but not at a later time. If students receive treatment off campus and believe that a medical excuse may appropriately be given, they should request written confirmation of the treatment before leaving the facility where it is given.

7. This policy applies only to medical excuses from academic activities. It does not apply to cases where students are petitioning to drop a course without grade penalty. In the latter case, a review will be conducted by the Health Center staff in consultation with the course instructor to determine whether the student's medical situation has disrupted normal activity to a degree that the student's performance in the course has been adversely affected.
8. Questions about this policy should be referred to the Dean of Students Office.

CHOSEN NAME POLICY

The Chosen Name Policy at Allegheny College supports students seeking to change their first name without pursuing a legal name change. Students who list a preferred or familiar name on their admissions application automatically have their preferred names entered into the college system.

We also believe that empowering students with the option to change their name contributes to a safe and non-discriminatory college experience. Reasons for name changes may include transgender or gender non-conforming identities and international students who wish to adopt an English language name. Please note that some records may require the use of legal names only, such as federal and medical documentation.

Legal Names

In order to change the name on your official college records such as transcripts and employment records, you must legally change your name. A legal name change is recognized by submitting a court order, driver's license, social security card, and/or passport. If you are a graduate, you can also request an updated transcript with your current legal name. Although your name will be changed on your transcript, your prior name will continue to be listed as a previous identity in the college's database in order to ensure that any searches of your former name will access the correct files.

Initiating a Chosen Name Change

Any student wishing to initiate a first name change should contact the Office of the Dean of Students, in Reis Hall, Room 201 or via e-mail at deanofstudents@allegheny.edu.

If the student wishes to alter their first name by which they are known by for directory purposes as their institutionally recognized name, the Dean of Students office will request a chosen name change on the student's behalf. Students who make this request will receive a new email address that utilizes their chosen name's first initial. If changing from a pre-existing Allegheny email address, all files and correspondence from your previous address is transferred to your new one, and your previous address becomes an alias to your new one. This means that all correspondence sent to your previous email address will be automatically forwarded to your new one.

In addition to a change in first name, your chosen first name will show up on the internal Google directory, Sakai class rosters, in addition to places where an office indicates a name other than your legal name. Faculty and staff will be able to see the student's full legal name and the preferred name to ensure consistency of application in rosters, grading and other business of the College.

Classroom and Letters of Recommendation

Members of the faculty and staff are encouraged to ask students which names and pronouns they would like to use in the classroom and in letters of recommendation. The IDEAS Center, Office of the Dean of Students and Registrar/Associate Dean serves as a resource for education, support, questions or concerns for all students, faculty and staff.

Family Educational Rights and Privacy Act (FERPA)

Students who desire to prevent any identifiable information from being released for any reason must contact the Office of the Dean of Students. This means that your name, address, phone numbers, campus e-mail, ID photograph, date and place of birth, major, enrollment status, dates of attendance, degrees awarded, honors received, previous schools attended, and participation in activities will not be released **except as required by law**.

Disclaimer

Allegheny College will display chosen first names to the college community where feasible and appropriate, and it will make a good faith effort to update the reports, documents and systems designated to use preferred names. Inappropriate use of the chosen name policy, including but not limited to avoiding legal obligation or misrepresentation, may be cause for denying use of chosen names. Allegheny College reserves the right to remove any chosen name that is deemed inappropriate.

This policy is approved by the Vice President for Student Affairs, Campus Life & Community Standards Committee and Administrative Executive Council in March 2016.

This policy is approved by the Vice President for Student Affairs, Campus Life & Community Standards Committee and Administrative Executive Council in March 2016.

COMMENCEMENT POLICY

Students are permitted only one opportunity to participate in the annual Commencement exercise in May, that being the year in which their name appears on the Commencement program. Students should be aware that participation in the Commencement exercise is not equivalent to graduation from the College and that, if they “walk” before their graduation requirements have been completed, they will not be permitted to walk again when they do graduate. The Commencement program will state that all degrees are awarded “subject to the completion of all requirements.” Latin Honors will be announced at the ceremony only for graduates and for co-op students who have completed their Allegheny coursework; other students who graduate afterwards and are eligible to receive Latin Honors at that time will have the appropriate honor noted on the diploma and transcript.

Policy

Students who meet **all** of the following criteria are eligible to participate in the annual May Commencement exercise:

1. Students must not have participated in a previous Commencement ceremony nor had their names published in a previous Commencement program.
2. Only current students and graduates may participate in Commencement. Students must not have voluntarily withdrawn nor been dismissed or suspended from the College at the time of the Commencement ceremony.
3. Students must belong to one of the categories below:
 - a. Graduates. This includes students who have graduated since the previous Commencement as well as students who complete their graduation requirements during the Spring semester immediately preceding Commencement.
 - b. Anticipated graduates. Students whose anticipated graduation date falls within the nine months following the Commencement date may elect to participate in the ceremony, though their degrees and Latin Honors (if applicable) will not be conferred until all graduation requirements have been met, nor will Latin Honors be announced at Commencement for anticipated graduates.
 - c. Co-op students. Students participating in approved cooperative (3-1; 3-2; 3-3) programs who are making satisfactory progress in their post-Allegheny programs are permitted to participate in Commencement exercises with the rest of their entering class. Appropriate documentation (transcripts and/or proof of enrollment) must be submitted to the Allegheny Registrar’s Office to verify that the student is making satisfactory progress. The Allegheny degree will not be conferred until the terms of agreement for the cooperative program have been completed satisfactorily.
4. Students must comply with all published procedures and deadlines related to participation in the Commencement exercise.

Petitions to “Walk”

Students who do not meet the above criteria for participation in Commencement in a given year may petition to be allowed to participate. Such requests must be submitted in writing to the Academic Standards and Awards Committee and must include the written endorsement of the student’s academic advisor. The responsibility lies with the student to make a compelling case for why an exception to the College policy should be made. The decision of the Academic Standards Committee in these matters is final. In its periodic reports to the Faculty, the Academic Standards Committee will include data on the number of petitions and their disposition.

This policy was adopted by vote of the full faculty.

COMMUNICATION ON CAMPUS

The use of email is a primary method of communication on campus. Offices and organizations will use email to contact students about a variety of issues, including important campus updates and individual messages relevant to academic or campus life. All students are provided with a campus email account and address while enrolled at Allegheny and are expected to check the account on a regular basis. Any questions or problems regarding an email account should be directed to the Help Desk at (814) 332-2755.

CORD & STOLE POLICY

Commencement is a special ceremony, officiated by the President of the College, where faculty, staff, parents/families and alumni share the excitement and importance of student’s academic accomplishments. It is also a time for the College and Board of Trustees pay special tribute to students who have achieved the distinct honor of the Allegheny College degree. In addition to the traditional cap and gown regalia, students wear academic honor cords and stoles.

The College supports the wearing of honors cords, medallions, stoles, insignia and/or pins at Commencement ceremonies by students who have earned these privileges through achieving academic honors, completing honors programs, as recipients of designated academic scholarship funds, academic unit or departmental honors, military service, induction into Allegheny College-recognized honors societies, athletic distinction, or membership in good standing in college-recognized professional or service organizations. All honors cords, medallions, stoles, pins and insignia must be approved by the Office of the Dean of Students at least two (2) weeks prior to Commencement.

Approved cords, stoles, medallions, sashes, insignia and/or pins are worn in recognition of the student’s identity, cultural heritage and membership in student organizations. Students may wear only one stole of their choice during official commencement activities.

DISABILITY ACCOMMODATIONS

Procedures for Requesting Accommodation for Disability

Disability Services is responsible for evaluating whether to grant or deny requests for accommodation in college housing. In evaluating the request, the campus Accessibility Committee, which consists of the Director of Disability Services, Counseling Center, Residence Life, and Student Health Services will determine whether the requested accommodation is necessary and reasonable. Individuals with a disability who reside or intend to reside in College housing who believe they need a disability related accommodation must contact Disability Services.

Requests for reasonable accommodation in College housing policies and practices are governed by the following requirements:

Requesting a Housing Accommodation

a. To begin the process of requesting an accommodation an individual with a disability should submit a “Self Disclosure of a Disability” form to Disability Services, as well as a Housing Accommodation Application form. These forms are available from Disability Services and on the Disability Services website. If the individual requires assistance in completing the requested forms because of a disability, Disability Services will provide assistance in completing the form. Disability Services may need documentation of an individual’s disability related needs in order to evaluate the request. It is recommended that individuals submit such documentation along with the Housing Accommodation Application.

b. Allegheny College will accept and consider requests for accommodation in college housing at any time. The individual making the request for accommodation should complete and provide the Self Disclosure of Disability” form to Disability Services as soon as practicably possible before moving into college housing. However, if the request for accommodation is made fewer than 60 days before the individual intends to move into college housing, Allegheny cannot guarantee that it will be able to meet the individual's accommodation needs during the first semester or term of occupancy.

c. If the need for the accommodation arises when an individual already resides in college housing, the student should contact Disability Services and complete the Self Disclosure of a Disability Form and Housing

Accommodation Application form as soon as practicably possible. Allegheny cannot guarantee that it will be able to meet the accommodation needs during the semester or term in which the request is received, but every attempt to do so will be made.

d. Absent exceptional circumstances, the college will attempt to provide a written response to a reasonable accommodation request within fourteen (14) business days of receiving the information described in paragraph 2 below.

Information that May Be Requested for Housing-Related Accommodation Requests

Disability Services shall limit its requests for information to only the information necessary to verify whether the individual making the request has a disability and/or to evaluate if the accommodation is necessary to provide the individual an equal opportunity to use and enjoy college housing.

a. **Obvious Disability:** If the individual's disability and the necessity for the accommodation are obvious (e.g. an individual with a physical disability using a wheelchair needs an accessible room), the individual need only explain what type of accommodation they are requesting. No verification of disability and/or necessity is required under these circumstances.

b. **Non-Obvious Disability/Necessity**

i. If the disability is obvious but the need for the accommodation is not obvious, the college may require the individual to complete the Disability Services eligibility process and provide information from a reliable third party who can verify that the requested accommodation is necessary to provide the individual an equal opportunity to use and enjoy college housing, but may not seek information about the individual's disability.

ii. If the disability and necessity for the accommodation are not obvious, Disability Services will require the individual to complete the Disability Services eligibility process and provide information from a reliable third party who can verify that the individual has a disability and that the requested accommodation is necessary to provide the individual an equal opportunity to use and enjoy college housing.

iii. A reliable third party is someone who is familiar with the individual's disability and the necessity for the requested accommodation. A reliable third-party includes, but is not limited to someone who provides medical care, therapy or counseling to persons with disabilities, including, but not limited to, doctors, nurse practitioners, physician assistants, psychiatrists, psychologists, or social workers.

iv. Absent exceptional circumstances, within seven (7) business days of receiving the necessary information and completing an intake interview, Disability Services, will determine if the accommodation is necessary because of a disability to provide the individual an equal opportunity to use and enjoy college housing.

v. If the information provided through the interactive process is not sufficient for Disability Services to determine whether an accommodation is necessary, Disability Services will inform the individual in writing of the insufficiency and may request additional information, including speaking directly with the individual supplying third-party verification, within seven (7) business days of completing the eligibility process.

vi. The individual making the request for accommodation must cooperate with Disability Services in a timely manner in providing all information needed to determine whether the requested accommodation is necessary.

Determination of Reasonableness

a. Disability Services may deny the requested accommodation if it is unreasonable. Disability Services shall determine on a case by case basis, if implementing the requested accommodation is reasonable.

b. An accommodation is unreasonable if it: (1) imposes an undue financial and/or administrative burden; (2) fundamentally alters the nature of the college's operations; (3) poses a direct threat to the health and

safety of others or would cause substantial property damage to the property of others, including college property; and/or (4) is otherwise unreasonable to the operation of the college.

Approval of Accommodation

If Disability Services determines a requested accommodation is necessary and is not unreasonable, it will contact the individual, in writing, within seven(7) business days of its determination, to arrange a meeting to discuss the implementation of the accommodation.

Denial of Accommodation/Appeal

a. If Disability Services determines a requested accommodation is necessary but unreasonable, Disability Services will contact the individual, in writing, within seven (7) business days of its determination to determine if there are alternative accommodations that might effectively meet the individual's disability-related needs.

b. If Disability Services determines a requested accommodation is not necessary, Disability Services will contact the individual, in writing, within seven (7) business days of its determination with an explanation of its determination.

c. If the individual is unwilling to accept any alternative accommodation offered by Disability Services or there are no alternative accommodations available, Disability Services will provide a verbal explanation and written notification to the individual of the denial, the reasons for the denial, the right to appeal the decision, and the procedures for that appeals process. The notification shall be in writing and made within seven (7) business days of the notification from the individual of their unwillingness to accept any of the alternative accommodations offered or the determination that there are no alternative accommodations available.

d. An individual may also use the Disability Services grievance procedure. This procedure can be found at: <http://sites.allegheny.edu/disabilityservices/grievance-procedure/>

Confidentiality and Recordkeeping

In processing requests for reasonable accommodations, the college will take all steps required by federal, state, and/or local law to protect the confidentiality of any information or documentation disclosed in connection with the requests. Such measures may include limiting access to such information to individuals specifically designated to determine and implement requests for reasonable accommodations, who will disclose the information only to the extent necessary to determine whether to grant the request, determine if the request is unreasonable, and implement any request granted, keeping all written requests and accompanying documentation in a secure area to which only those designated individuals have access, except as otherwise required by law.

Non-Retaliation Provision

Allegheny will not retaliate against any individual because that individual has requested or received a reasonable accommodation in college housing.

Appeals

Allegheny College has an internal grievance procedure providing for prompt and equitable resolution of complaints alleging violations of Section 504, the ADA, or other aspects of its non-discrimination policy. Students may use this grievance procedure to appeal the College's decisions regarding requests for accommodation. To file a grievance or to otherwise lodge an internal complaint regarding an alleged violation of the College's non-discrimination policy, students should contact the Dean of Students. Contact information for the Dean of Students is as follows:

DISCRIMINATORY & SEXUAL HARASSMENT POLICY

SEXUAL ASSAULT AND OTHER FORMS OF SEXUAL VIOLENCE, DATING VIOLENCE, DOMESTIC VIOLENCE & STALKING

No member of the Allegheny College community should tolerate discriminatory or sexual harassment, sexual assault or other forms of sexual violence, dating violence, domestic violence or stalking. Allegheny College prohibits all forms of such conduct (defined more specifically below) by any member of the Allegheny College community or by any guest or visitor to Allegheny. Individuals experiencing, observing, or otherwise having information regarding any of these types of misconduct are urged to report the information immediately to one of the persons listed in Part IV below. If a hostile environment has been created, the College will take steps to end such an environment. The College takes all such reports seriously and will respond promptly.

PART I: STATEMENT OF POLICY

All members of the Allegheny Community have a right to learn and work in an environment free from unlawful discrimination and harassing conduct, including sexual harassment. Allegheny College policy expressly prohibits discrimination on the basis of race, color, national origin, ethnicity, sex, sexual orientation, gender, gender identity, gender expression, age, religion, disability and other criteria protected by applicable law. Allegheny also prohibits discriminatory and sexual harassment, sexual assault and other forms of sexual violence, dating violence, domestic violence and stalking. The College is dedicated to furthering the potential of each member of its community through education and advocates a diverse community that is not hampered by intimidation, hostility, violence or other types of injurious or offensive behavior. As affirmed in the Statement of Community, members of the College community will respectfully confront and proactively seek to prevent all forms of discriminatory and sexual harassment and sexual violence in the Allegheny College community, when it is safe to do so. In establishing this policy, the College's purposes include:

- 1) to make clear that no member of our College community shall be subject to any harassment, abuse or violence based on the individual's race, color, national origin, ethnicity, sex, sexual orientation, gender, gender identity, gender expression, age, religion, or disability;
- 2) to provide a means by which the entire College community can be made aware of the deep-seated, corrosive and sometimes hidden nature of racism, sexism, religious bigotry and other forms of group hatred; and
- 3) to set forth the processes available for reporting, investigating and resolving alleged instances of discriminatory and sexual harassment, sexual assault and other forms of sexual violence, dating violence, domestic violence and stalking. The College will respond promptly and appropriately to any form of alleged misconduct under this policy occurring in the College community.

Allegheny also affirms its commitment to the principles of free speech and inquiry. The legitimate exercise of these freedoms in our community does not include either the right to engage in abusive behavior toward others or to curtail the freedom of others to participate in a shared learning experience. Promoting a diverse environment free of discrimination, discriminatory harassment, and sexual harassment while supporting freedom of speech is not to be viewed as mutually exclusive; these values are to be considered in tandem when addressing incidents of alleged discriminatory harassment or sexual harassment.

PART II: DEFINITIONS

- A. Discriminatory Harassment: Discriminatory harassment is defined as any verbal, physical, written or symbolic behavior that is directed at an identifiable individual or group and/or their property and is based on that individual's or group's membership (or perceived membership) in a particular demographic group, including race, color, religion, age, gender, gender identity, gender expression, national origin or ethnicity, mental or physical disability, or sexual orientation, and interferes with a reasonable person's academic or work performance, creates an intimidating, hostile or offensive situation or environment for a person or that subjects a

person to unwanted and unsolicited attention. Such behaviors include, but are not limited to, the use of slurs, epithets, name-calling, gestures, demeaning jokes, derogatory stereotypes, bullying, or conduct that may be physically threatening, harmful or humiliating or cause a person to feel unsafe. Examples of forms of discriminatory harassment are included in Appendix A of this policy.

- B. Sexual Harassment: For purposes of this policy, sexual harassment includes any unwelcome sexual advances, requests for sexual favors, or other unwelcome verbal, visual, or physical conduct of a sexual nature. Sexual harassment may be found in a single episode as well as in persistent behavior. Sexual harassment also includes unwelcome sexual conduct when:
 - a. such conduct has the purpose or effect of interfering with an individual's academic and/or work performance or of creating an intimidating, hostile, or offensive living, learning or working environment; or
 - b. submission to such conduct is made (explicitly or implicitly) a term or condition of an individual's employment or education; or submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual.
- C. Sexual Violence: Sexual violence is a form of sexual harassment and it includes rape, sexual assault, sexual battery, and sexual coercion. Sexual coercion is the act of using pressure or force to have sexual contact with someone who has already refused.
- D. Sexual Assault: Sexual assault is also a form of sexual harassment, and it includes any type of sexual activity perpetrated against a person's will, where that person does not give clear and voluntary consent or where the person is incapable of giving consent due to drug or alcohol use or due to intellectual or other disabilities. Examples of sexual assault, sexual violence and other forms of sexual harassment are included in Appendix A.
- E. Dating Violence: Dating violence is violence committed by a person who is or has been in a romantic or intimate relationship with the victim. Whether there was such a relationship will be gauged by its length, type, and frequency of interaction.
- F. Domestic Violence: Pennsylvania law defines domestic violence as knowingly, intentionally or recklessly causing bodily injury of any kind, causing fear of bodily injury of any kind, assault (sexual or not sexual), rape, sexually abusing minor children, or knowingly engaging in repetitive conduct toward a certain person (i.e. stalking) that puts them in fear of bodily injury. These acts can take place between family or household members, current or former spouses, sexual partners or those who share biological parenthood in order to qualify as domestic violence or abuse.
- G. Stalking: The term "stalking" means a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others; or to suffer substantial emotional distress. Cyber-stalking, or the repeated use of electronic communications to harass or cause fear, is also included in this definition.
- H. Consent: Sexual activity requires consent, which is defined as clear, unambiguous, and voluntary agreement between the participants to engage in specific sexual activity. Consent cannot be inferred from the absence of a "no"; a clear "yes," verbal or otherwise, is necessary. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and gauging consent, and individuals are thus urged to seek consent in verbal form. Talking with sexual partners about desires and limits may seem awkward, but serves as the basis for positive sexual experiences shaped by mutual willingness and respect. Consent cannot be obtained from someone who is asleep or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition.

Consent cannot be obtained by threat, coercion, or force. Agreement given under such conditions does not constitute consent. Consent must be clear and unambiguous for each participant throughout any sexual encounter. Consent to some sexual acts does not imply consent to others, nor does past consent to a given act imply ongoing or future consent. Consent can be revoked at any time. For all of these reasons, sexual partners must evaluate consent in an ongoing fashion and should communicate clearly with each other throughout any sexual encounter.

- I. Incapacitation: The inability, temporarily or permanently, to give consent because someone is mentally and/or physically helpless, unconscious, or unaware due to drug or alcohol consumption (voluntarily or involuntarily), or for some other reason. Incapacitation means a person does not have the ability to give consent.
- J. Retaliation: Retaliation is treating someone differently because they in good faith made a report under this Policy or participated in/cooperated with an investigation of a complaint under this Policy and/or otherwise opposed conduct or practices prohibited by this Policy. Retaliation includes but is not limited to ostracizing the person, pressuring the person to drop or not support the complaint or to provide false or misleading information, or engaging in conduct that may reasonably be perceived to affect adversely that person's educational, living, or work environment, threatening, intimidating, or coercing the person, or otherwise discriminating against any person for exercising their rights or responsibilities under this policy. Retaliation under this policy may be found whether or not the complaint is ultimately found to have merit.
- K. Responsible Employee: A "responsible employee" for purposes of this policy includes all Allegheny College employees except the professional counselors in the College Counseling Center, professional staff in the Winslow Health Center, and the College Chaplain and Catholic Campus Minister. Responsible employees have an obligation to promptly report incidents of sexual violence or other types of misconduct prohibited by this policy to the Title IX Coordinator or one of the Deputy Title IX Coordinators listed in Part IV below. The report should include all relevant details about the alleged incident that a student or another person has shared with the responsible employee, including the name of the alleged perpetrator (if known), the student or other member of the campus community who experienced the alleged misconduct, others involved in the incident as well as the date, time and location of the incident. Before a student reveals this type of information to a responsible employee, the responsible employee should make every effort to ensure that the student understands the employee's reporting obligation and the student's option to request that the College maintain his or her confidentiality (which request would be considered by the Title IX Coordinator), and the student's ability to share the information confidentially with certain individuals on campus or with off-campus sexual assault resource centers, advocates, and health care providers.

PART III: RIGHTS AND RESPONSIBILITIES UNDER THIS POLICY

Members of the College community who are aware of conduct that violates this policy, whether they observe the conduct directly or otherwise learn about it, should report it to the Title IX Coordinator or one of the Deputy Title IX Coordinators listed in Part IV below. Responsible employees (as defined in Part II above) are obligated by this policy to report such conduct to assure that the matter is handled promptly and appropriately by trained personnel and that appropriate corrective and remedial actions may be taken as warranted, including interim measures. Violations of this policy can occur regardless of gender identity or sexual orientation. Although sexual harassment often involves a supervisory employment relationship or faculty/student relationship, it can also be committed by a student against a faculty member, by an employee against a supervisor, by a member of one's peer group (such as by a student against another student), or by a contractor, vendor or other visitor to the College. A hostile environment

can also be created by the actions of more than one person or a group. Every member of the Allegheny College Community has both rights and responsibilities under this policy. Since an educational institution depends on the free and open exchange of information and views, some of which may be controversial or even offensive, this policy is not intended to limit readings, discussions, or assignments in appropriate educational settings.

Student Requests for Confidentiality: Students reporting incidents of alleged sexual violence sometimes ask that the students' names not be disclosed to the alleged perpetrators or that no investigation or disciplinary action be pursued to address the alleged sexual violence. In such cases, the Title IX Coordinator will inform the student that honoring the request may limit the College's ability to respond fully to the incident, including pursuing disciplinary action against the alleged perpetrator, and will explain that this policy and the law include protections against retaliation. If the student still requests that their name not be disclosed to the alleged perpetrator or that the College not investigate or seek action against the alleged perpetrator, the Title IX Coordinator will determine whether or not the College can honor such a request while still providing a safe and nondiscriminatory environment for all students, including the student who reported the incident of alleged sexual violence.

When weighing a request for confidentiality, or that no investigation or discipline be pursued, the Title IX Coordinator will consider a range of factors, including the following:

- The increased risk that the alleged respondent will commit additional acts of sexual or other violence, such as:
 - Whether there have been other sexual violence complaints about the same alleged respondent;
 - Whether the alleged respondent has a history of arrests or records from a prior school indicating a history of violence;
 - Whether the alleged respondent threatened further sexual violence or other violence against the complainant or others;
 - Whether the sexual violence was committed by multiple respondents;
- Whether the sexual violence was perpetrated with a weapon
- Whether the complainant is a minor
- Whether the College possesses other means to obtain relevant evidence of the sexual violence (e.g.: security cameras or personnel, physical evidence)
- Whether the complainant's report reveals a pattern of perpetration (e.g.: via illicit use of drugs or alcohol) at a given location or by a particular group

The presence of one or more of these factors may lead the College to investigate and, if appropriate, pursue disciplinary action. If none of these factors are present, the College will likely respect the complainants request for confidentiality.

PART IV: TITLE IX COORDINATOR AND DEPUTY COORDINATORS

The Title IX Coordinator and Deputy Coordinators listed below are responsible for, among other things, overseeing reports and complaints brought forward under this policy to assure that these matters are handled appropriately and effectively, and for identifying and addressing patterns of misconduct and systemic problems. They also serve as resources available to anyone seeking additional information about the processes and procedures under this policy, about other resources that may be available to victims of misconduct covered by this policy, or who wish to file a complaint of an alleged violation of this policy.

The Title IX Coordinator and Deputy Coordinators listed above also coordinate the College's compliance efforts and carry out the College's responsibilities under this policy and under Title IX of the Education Amendments of 1972, Titles VI and VII of the Civil Rights Act of 1964, as well as various other federal and state non-discrimination laws and regulations.

Inquiries may also be directed to the Office for Civil Rights of the U.S. Department of Education at (800) 421-3481 or by email at OCR@ed.gov.

PART V: OPTIONS AND PROCESSES FOR RESOLUTION

Any student, prospective student, employee, applicant for employment, or campus visitor who believes that they have been subjected to conduct in violation of this policy or who has observed, knows of, or suspects an occurrence of discriminatory or sexual harassment, sexual assault or other forms of sexual violence, dating violence, domestic violence, or stalking should immediately contact the Title IX Coordinator or one of the Deputy Title IX Coordinators listed above. Students who report being a victim of physical or sexual assault while intoxicated through voluntary or involuntary means will not be subject to disciplinary sanctioning by the College for an alcohol violation even if they are underage. Prompt reporting of such incidents makes investigation of the incident more effective and enhances the ability of the College to take prompt and appropriate action regarding a complaint or report, including the ability to undertake appropriate interim measures. Although the College does not impose a limitations period for reviewing internal complaints of alleged violations of this policy, the College recognizes that to conduct a meaningful investigation and take prompt remedial action as appropriate, a timely report or complaint is important. Individuals who believe they have been subjected to alleged violations of this policy will be informed about options for resolving potential violations. Those options include informal dispute resolution, referral to other college offices (where appropriate), and formal resolution pursuant to this policy. Certain forms of misconduct under this policy may constitute criminal conduct. Whether or not someone who has been subjected to such conduct chooses to pursue criminal charges externally, they have the right to pursue an internal complaint under this policy, regardless of the status of any external proceedings. Further, the College may have an obligation to pursue an investigation, make a complaint, and take corrective action directly even if a victim chooses not to pursue the matter internally at the College. See also Part III above, under the subheading "Students Requests for Confidentiality." Students are also offered the opportunity to report to local law enforcement. For more information about reporting a matter to law enforcement, see Part VI – A, below.

A. INITIATION OF THE PROCESS

The Title IX Coordinator (or designee) will initiate the process under this policy by notifying the accused party ("respondent") that a complaint has been filed against them and inform the respondent of the nature of the complaint, providing a written copy or a summary of the complaint to the respondent. The Title IX Coordinator (or Deputy Coordinator) shall explain to both parties the avenues for informal and formal action, including a description of the process and the relevant avenues of redress to the complainant and the respondent and provide each of them with a copy of this policy.

Interim Measures. During the pendency of an investigation or other proceedings under this policy, the College may be required to take reasonable and prudent interim measures to ensure equal access to its education programs and activities, to protect the parties, and/ or to safeguard the College community, including interim disciplinary measures if necessary and appropriate. In cases of alleged sexual violence, sexual assault, dating violence, domestic violence or other forms of sexual misconduct, the Title IX Coordinator will notify the complainant of their options to avoid contact with the alleged perpetrator and allow the complainant to change academic and extracurricular activities or their living, transportation, dining, and working situation as appropriate. In such cases, the Title IX Coordinator will also notify the complainant of available resources (such as counseling services, medical and mental health services, victim advocacy services) and of the right to report a crime to local law enforcement

Confidentiality. The College will respect the wishes of the victim to maintain confidentiality to the greatest degree possible consistent with the College's legal obligations to take all reasonable steps to protect the welfare of the campus community and to otherwise comply with applicable law. See also Part III above under the subheading "Student Requests for Confidentiality."

B. INFORMAL RESOLUTION PROCESS

The College provides an informal resolution process when the parties desire to resolve the situation cooperatively. Informal resolution may include inquiries into the facts, but does not typically rise to the level of a formal investigation unless required by applicable law. The informal process, which is overseen by the Title IX Coordinator or a Deputy Coordinator, is designed to resolve complaints quickly, efficiently, and to the mutual satisfaction of all parties involved. Where circumstances allow, the informal process will be initiated as soon as possible after the filing of the complaint or receipt of a report of an alleged violation, absent any unusual circumstances. Informal resolution may include, but is not limited to, options such as meeting informally with the complainant and the respondent (individual or group representative) with the intent of bringing about resolution, meeting privately with the respondent and acting as intercessor, separation of the parties, referral of the parties to counseling programs, conducting educational and/or training programs, or other remedial measures. In cases where groups are involved, the Title IX Coordinator may require that one or two members of the group be authorized in writing to act on behalf of the group in the informal process; all members of the group would be bound by the terms of the informal process. Situations that are resolved through informal resolution are usually subject to follow up after a period of time. Steps taken by the Title IX Coordinator or a Deputy Title IX Coordinator to help the parties achieve informal resolution will be documented. Some reports of alleged violations of this policy may not be appropriate for informal resolution but may require a formal investigation at the discretion of the Title IX Coordinator. Both the complainant and the respondent have the right to bypass or end the informal complaint process at any time in order to begin the formal complaint process. (Note: The College does not use mediation as a form of informal resolution of alleged sexual assault/sexual violence. The Office for Civil Rights of the U.S. Department of Education has taken the position that mediation is not an appropriate mechanism for resolution in such cases.)

C. PROCEDURES FOR FORMAL COMPLAINT PROCESS

If the allegation of a violation of this policy has not been resolved as a result of the informal process or is not suited for informal efforts, or if either the complainant or the respondent request to invoke the formal complaint process, the following process will be initiated. (The lodging and processing of a formal complaint does not preclude, however, the possibility of an informal resolution of the matter.)

In these cases, the individual making the complaint (the "complainant") generally will be asked to provide a statement containing the name(s) and relevant allegations against a person (the "respondent"). Where the individual against whom an allegation is made is a student of Allegheny, cases will be handled through the process described for non-academic conduct in Section 5 of

The Compass (unless in conflict with this policy,) which can be found at the following link:
<http://sites.allegheny.edu/deanofstudents/student-handbook/>

In addition, the general principles described below in numbered paragraphs 1 through 13 shall also apply to student cases, including the “preponderance of evidence” standard in paragraph 8 below. Where the respondent is a faculty member or staff member, cases are handled through the process described below. Where the respondent has dual status or where there are multiple respondents with varying statuses, the College has discretion to determine whether to pursue the matter under the Code of Student Conduct or under the process described below. Where the respondent is a vendor/contractor or visitor, the College is not required to follow either the process described below or in the Code of Student Conduct. In such cases, the College reserves the right to take summary action.

The following general principles and procedures shall govern this process, to the extent consistent with the College’s legal obligations:

1. All persons concerned are to be treated with respect and impartiality.
2. Procedures are to be fair, both in substance and in perception, to all persons concerned and to the College community.
3. The Title IX Coordinator (or Deputy Coordinator) shall provide the respondent with a description of the primary facts of the allegation at the first meeting set to discuss the investigation.
4. The investigation of all formal complaints generally includes interviews of (i) the complainant, (ii) the respondent, and (iii) any witnesses as needed; and (iv) review of relevant documents as appropriate. Disclosure of facts to non-party witnesses shall be limited to what is reasonably necessary to conduct a fair and thorough investigation.
5. Both the complainant and respondent will be given an equal opportunity to be heard, to provide a statement, documentation and other evidence, and to suggest the names of other persons who they believe might have relevant information. The complainant and respondent will be provided access (equally) to relevant information and documents once the investigative file is complete
6. At any time during the investigation, the Title IX Coordinator may recommend interim protections or remedies be provided by College officials. These protections and remedies may include (but are not limited to) separating the parties, placing limitations on contact between the parties, or making alternative workplace, housing, extracurricular or academic arrangements where reasonable and feasible. See also Section V, Part A regarding interim measures. Failure to comply with the terms of interim protections or remedies may be considered a separate violation of this policy.
7. The investigation shall be completed as promptly as possible and in most cases in less than 60 working days from receipt of the original complaint. However, some investigations may not be completed in this timeframe due to the nature and extent of the allegations or other extenuating circumstances. In the event the investigation cannot be completed within 60 days, the parties would be notified in writing.
8. After concluding the investigation, the Title IX Coordinator/Deputy Coordinator (or designee) will record findings and recommendations in a written report. In making findings, the “preponderance of the evidence” standard (i.e., more likely than not) will be used. The complainant and respondent will be informed that the investigation has been completed and will be given the opportunity to review the statements and any evidence collected as part of the investigation.
9. Following completion of the review described in paragraph 8, the Title IX Coordinator (or designee) shall recommend appropriate action in accordance with the provisions of this policy and other applicable College policies and procedures. In the case of a staff respondent, the written report of findings and the Title IX Coordinator’s recommendations shall be submitted to the appropriate AEC member(s) for the department or unit

where the complainant and respondent are located. Final decisions in cases where a staff employee is the respondent shall be made by the Executive Vice President. In cases where a faculty member or other instructional employee is the respondent, final decisions shall be made by the Provost. If the proposed action by the Provost includes dismissal of a faculty member, the matter will be referred to the process described in the Faculty Handbook under Termination for Cause. The decisions and recommended actions of the Executive Vice President and the Provost will be communicated in writing to the Title IX Coordinator and to the complainant and the respondent.

10. Sanctions and corrective actions will be implemented on a case-by-case basis for violations of this policy, and they will be appropriate to the circumstances and gravity of the violation, and may range from personal coaching/counseling to an official warning, suspension, termination or expulsion. Possible sanctions for students include all of those listed in Section 6 of The Compass. The College will take appropriate steps to prevent recurrence of any violations of this policy and to remediate the effects on the complainant and the campus community, if appropriate.
11. No person shall make an allegation that they know to be untrue or knowingly provide false information during the course of an investigation or other proceedings under this policy. Making a false complaint or knowingly giving false information is a violation of this policy and may be a basis for discipline.
12. To the extent that appeals are provided for in any existing College processes that might come into play in connection with findings or the imposition of a recommended disciplinary sanction under this policy, it is understood that both the complainant and the respondent would have the right to appeal.
13. In student conduct cases, following the completion of the Community Standards Hearing, the Committee will prepare a written decision using the preponderance of evidence standard and stating the rationale for its decision.

D. RECORDKEEPING

Official records regarding all complaints filed under this policy will be securely and confidentially maintained by the Title IX Coordinator.

E. RETALIATION IS PROHIBITED

It is a violation of this policy for anyone (individual or group) to retaliate against anyone who makes a report or brings a complaint under this policy or who cooperates with or otherwise participates in the investigation or resolution of a complaint under this policy. This includes, but is not limited to, bullying and harassment through electronic media as well as in person. Allegheny College will take steps to prevent retaliation and will also take strong responsive action if the College finds that retaliation has occurred.

PART VI: OTHER AVAILABLE ACTIONS AND RESOURCES

A. CONTACTING LAW ENFORCEMENT

Certain forms of misconduct covered by this policy would also be a violation of criminal law. An individual has the option of filing a criminal complaint, and may do so with the Office of Public Safety, which is located in the Newton Observatory and can be reached by telephone at (814) 332-3357. The Office of Public Safety is open seven days per week, and 24 hours per day. A criminal complaint may also be lodged with the Meadville City Police, (814) 724-6100 or 911 (emergency). Notifying the Office of Public Safety of a violation of this policy will result in the Office of Public Safety contacting Meadville City Police; however, you are under no obligation to file a report with the Meadville City Police. Telling your experience to the Title IX Coordinator does not obligate you to report it to the police, nor does reporting it to the police obligate you to file a formal complaint under this policy—these are separate processes. College process and criminal process can occur simultaneously and occur independently. After filing a report with criminal law enforcement, the complaining party will meet with a representative of the Police Department and/or District Attorney's Office who will explain the criminal process and help the complainant

decide whether to pursue criminal charges against the alleged assailant. The District Attorney's office will also make the decision on whether there is enough evidence to pursue criminal charges. Please also see Appendix B for additional information on gathering/preserving evidence.

B. OTHER CAMPUS RESOURCES

A number of on-campus and off-campus resources (some of which are listed below) are available to assist individuals who have been the victim of conduct prohibited by this policy. Confidential reporting means that you can talk with someone and they are not required by law to report any assault that may have already occurred. These confidential reporting options include clergy, physicians and licensed counselors.

Confidential reporting options on or nearby the Allegheny campus include:

- College Counseling Center, 304 Reis Hall, (814) 332-4368
- Winslow Health Center, Schultz Hall, (814) 332-4355
- Emergency Room-Meadville Medical Center, 751 Liberty Street, (814) 333-5500
- Meadville Crisis Line, (814) 724-2732
- College Chaplain, 101 Reis Hall, (814) 332-2800

Non-Confidential reporting options include:

- Inclusion, Diversity, Equity, Access & Social Justice (IDEAS) Center, (814)-332-2718
- Dean of Students Office, (814)-332-4356
- Title IX Coordinator and Deputies (814)-332-3085
- You can also report to any faculty or staff member with whom you are comfortable talking about the incident; however, that person will be required to make a report to the Title IX Coordinator
- Office of Public Safety – (814)-332-3357

Seeking Assistance

1. If the incident caused physical injury, the victim should seek medical attention immediately, and should also preserve any evidence of the incident and injuries as the evidence may assist with the investigation and/or serve as proof of a crime. The following resources are available locally to assist victims of the types of misconduct encompassed by this policy:
 - Winslow Health Center, Schultz Hall, (814) 332-4355
 - Emergency Room-Meadville Medical Center, 751 Liberty Street, (814)-333-5500
 - Meadville Crisis Line, (814)-724-2732
2. For assistance after regular business hours, the Office of Public Safety will coordinate emergency response efforts with on-call Student Life staff members and other campus personnel. See also the College's Campus Security Report, available on-line at <http://sites.allegheny.edu/publicsafety/>.
3. In addition to reporting the misconduct to the Title IX Coordinator or to one of the Deputy Title IX Coordinators as described in Part IV above (and/or to law enforcement), victims are also encouraged to take the following actions:
 - Get to a safe place. This may mean simply getting away from the location of the incident, or seeking support from a friend, Residence Life staff member, or person with whom the victim is comfortable.
 - Seek medical attention. The victim's well-being is of primary concern. If the incident caused physical harm, the victim should seek medical attention immediately. See the list of local healthcare facilities above.

- Preserve evidence. If the incident was a form of oral/verbal harassment, write the actual slur, joke, or comment on a sheet of paper. If it was written (for example, a flier or email message), preserve the written evidence. An individual who has been sexually or physically assaulted should do everything possible to preserve any evidence of the incident and injuries.
- Seek support. The local rape crisis center is provided by Women's Services, Inc. [24 hour hotline: (814) 333-9766]. The victim can also speak to a counselor at a national center by calling the RAINN hotline [800-656-HOPE]. Telling someone is the first step to healing and will help the victim re-establish control of the situation. The Meadville Crisis Line (814) 724-2732 is an additional resource for support.
- If the sexual misconduct involved any type of physical contact, especially in the case of non-consensual sexual contact and/or non-consensual sexual intercourse, the victim should also consider the steps described in Appendix B to this policy.

PART VII. AWARENESS EDUCATION AND PREVENTION

This policy will be published and disseminated to the entire College community, included in orientation materials for all new students, faculty, staff, and administrators, and made available through appropriate campus offices.

The Title IX Office and the Dean of Students Office in conjunction with other campus offices including but not limited to the Counseling Center, the Health Center, the Office of Residence Life, the Office of Human Resources, and the Office of Public Safety, provide education, awareness and prevention programs for the campus on relevant topics such as date/acquaintance rape, sexual assault prevention and response, and personal safety.

During New Student Orientation, information about date/acquaintance rape, and sexual assault education and prevention programming is offered to first year students. Sexual assault education, prevention and response training is provided regularly to the peer leaders (Resident and Community Advisors) in the Office of Residence Life. In addition, educational sessions and workshops will be conducted by the College's Title IX Coordinator and EEO Officer and other campus offices to 1) inform the campus about identifying conduct that would violate this policy, 2) advise members of the campus community about their rights and responsibilities under this policy, and 3) train College staff members who are most likely responsible for the implementation and administration of this policy, protocol, and standard reporting procedures.

In the fall of 2012, the College, in partnership with Women's Services, Inc. of Meadville, developed a Bystander Intervention training program. All first year students are required to attend a workshop to learn how to be an effective bystander.

As of Fall 2013, every first year student has been required to complete "Haven", an on-line sexual assault/sexual violence education and prevention tool.

Because the law pertaining to matters addressed in this document may evolve over time, this policy will be reviewed regularly and revised as needed.

APPENDIX A

The following are examples (not intended to be exhaustive lists) of some of the types of conduct prohibited by this policy.

Examples of forms of Discriminatory Harassment:

- a) Discriminatory behavior that could discomfort, humiliate, demean or bully an individual or group. Such behaviors include physical violence, such as shoves or kicks, and statements and comments such as questions, jokes or anecdotes that are offensive to a person's or group's membership (or perceived membership) in a particular group, including race, color, religion, age, gender, gender identity, gender expression, national origin/ethnicity, mental or physical disability, or sexual orientation.
- b) Verbal insults: verbal communication which includes lewd or obscene remarks directed at a person or group because of their identities (or perceived identities), including race, color, religion, color, age, gender, gender identity, gender expression, national origin/ethnicity, mental or physical disability, or sexual orientation.
- c) Written insults: written or graphic communication that is similarly meant to harass an individual or group because of their membership or perceived membership in a particular demographic group. These insults may be in the form of written or electronic means, including printed posters or flyers, electronic mail, internet postings, facsimile documents, wireless communication or similar transmission.

Examples of forms of Sexual Assault and Sexual Violence:

- a) Non-consensual sexual contact: the intentional touching of another person's body in a sexual manner without his/her consent.
- b) Sexual exploitation: taking non-consensual sexual advantage of another for one's own benefit or to the benefit of anyone other than the one being exploited. Examples include but are not limited to: videotaping sexual acts without consent of both partners; allowing others to observe sexual activities without the consent of both partners; endangering the health of another person by knowingly exposing him or her to an STI or HIV; inducing incapacitation of another, through encouragement to consume excess quantities of alcohol or giving the person alcohol or other drugs without his or her knowledge, with the purpose of having sex with the other person (this is exploitation regardless of whether sexual activity occurs; if the incapacitation results in unwanted sexual activity, it is a violation of multiple college policies).
- c) Non-consensual sexual intercourse: unwanted vaginal, oral, and/or anal intercourse using any part of the body or an object.
- d) Unwanted sexual contact with victim unable to give consent: taking non-consensual advantage of another when a person knew or reasonably should have known that the other person was unable to give consent due to voluntary or involuntary intoxication from drugs and/or alcohol.

Examples of other forms of Sexual Harassment:

- a) Sexist remarks and behavior: behavior that emphasizes the sexuality or the sexual identity of another person in an inappropriate manner or situation; a pattern of conduct (not legitimately related to the subject matter of a course, if one is involved) that could discomfort, humiliate, or demean an individual because of their sex. Behaviors include comments of a sexual nature or sexually explicit questions; sexually suggestive remarks; jokes or anecdotes; visual conduct such as leering at a person's body; displaying obscene materials in publicly shared spaces; and unwanted physical advances.
- b) Written insults of a sexual nature: written communication or graphic communication, including electronic communication, which offends or humiliates an individual or group based on sex.
- c) Unwelcome sexual advances or repeated requests for dating or other social engagements, with or without a promise of reward or punishment (such as conditions of employment, promotion, work status, grades, or letters of recommendation) for compliance.

APPENDIX B

If the sexual misconduct you experienced involved any type of physical contact, please consider the following steps:

1. Do not bathe, shower, douche, or change your clothes. If you have already done so, preserve evidence of the assault by placing clothing in a brown paper bag. Try to avoid eating, drinking, smoking, and urinating until you have sought medical care (although if you have already done these things, evidence can still be collected and it is still very important to receive medical care).
2. Seek medical care as soon as possible. Medical care is advised for many reasons - you may have a physical injury that you are unaware of, you can be tested and preventatively treated for sexually transmitted diseases, you can explore options for emergency contraception to prevent pregnancy, and evidence can be collected for crime prosecution by a Physical Evidence Recovery Kit (P.E.R.K.). The kind of evidence that supports a legal case against an assailant should be collected within 72 hours of an assault. Having a P.E.R.K. completed does not obligate you to follow through on criminal charges - it just offers you this option. You have the right to refuse the P.E.R.K., and even if you do consent to it, it does not commit you to following through with filing criminal charges against your assailant. However, if it is not collected, you will lose the opportunity for its use should you later decide to pursue criminal charges against the assailant.

You can expect the following:

- a) A physical exam, including an exam of the area violated (i.e. pelvic exam if vaginally penetrated, rectal exam if anally penetrated). Any bruises or other injuries will be evaluated.
- b) Blood work will be offered to test for STIs and HIV. Follow-up testing will be required for these as well (it can take several months for an infection to be detected). You will be offered antibiotics to prevent actual infection in case of exposure.
- c) If you suspect that you have been drugged, request urine testing for drugs. Testing for some drugs (such as the date rape drug, GHB) must be done within a short time frame (12 hours) while others are present for longer periods of time. If you are unable to seek medical care within a short time, collect your urine in a clean container with a tight fitting lid, place it in the refrigerator, and take it with you to the medical facility. The sample likely would not be usable for evidence in this situation, but you could find out for yourself if you had been drugged.
- d) If you are concerned about the possibility of pregnancy, emergency contraception (EC) may be a good option. EC is medication that works by preventing ovulation or fertilization, and may inhibit implantation. It is available at the ER, for purchase from pharmacies without a prescription, and from the Health Center.
- e) You have the right to ask any questions of the medical practitioner or to request a break whenever you need it. The process can be long (up to two hours), but this just means that the medical team is being thorough in making sure you are physically okay. The medical staff will advise you about follow-up treatment, but you can expect to be encouraged to seek follow-up care six weeks, six months, and twelve months after the attack. At these visits, you will be given follow-up tests for pregnancy, STIs and HIV. Follow-up visits can occur with your own physician, the Health Center, or Family Planning.
- f) You have the choice to either have your health insurance billed for your medical exam or have the payment made through the Pennsylvania Crime Victims Compensation Program. You should receive information on this program if you go to the Emergency Room. If you would like more information, contact the PA Victims Compensation Program (800-233- 2339) or Women's Services, Inc. (hotline: 814-333-9766; office: 814-724-4637).
- g) The Emergency Room at Meadville Medical Center (751 Liberty Street, 814-333-5500) is a nearby healthcare facility where you can seek medical care. The hospital is required to contact the Meadville City Police when a sexual assault is reported to them, but this in no way obligates you to speak with the officer or follow through on criminal charges. The Emergency Room will also call in an advocate from Women's Services, Inc. - the local rape crisis center.

This person will simply provide as much support as you want. Transportation to the Emergency Room can be arranged through the Winslow Health Center, the Office of Public Safety or Residence Life. The P.E.R.K. can be collected at the Emergency Room of the Meadville Medical Center.

- h) The Winslow Health Center (Schultz Hall, 814-332-4355) or Family Planning Services (747 Terrace Street, 814-333-7088) can also provide a medical exam and testing. Family Planning and the Health Center can provide emergency contraception; neither can collect the P.E.R.K. (collected at the ER). Hours are more limited at these locations and neither is an emergency response center.

(Reviewed and Revised July 2017)

FINAL EXAM POLICY

The exam time for a course is designated by letter code in the course descriptions posted on WebAdvisor. Prior to registration for each semester, the scheduled time for each letter code is published on the Academic Calendars page maintained by the Registrar's Office.

Students are required to arrange travel and vacation plans to allow them to take all exams at the scheduled time. Exceptions are permitted only in the following circumstances:

1. Three final exams scheduled for the same day.
2. A documented disability for which the appropriate accommodation requires a change in exam time.
3. Extraordinary extenuating circumstances.

Exceptions require the permission of both the course instructor and the department chair and must be approved before the last week of classes except in unforeseeable emergencies.

Tests, Papers, and Examinations

1. All hour-tests should be scheduled as soon as possible in the semester; they should be announced to classes at least a week before they are given.
2. According to Faculty vote, no hour-test or final written examination may be given during the last five weekdays before classes end in any semester. Hour-tests and final examinations may not be given on study days.
3. The following guidelines regarding take-home examinations have been adopted by vote of the Faculty:
 - Instructors should make clear the ground-rules for take-home tests given during and at the end of the semester: the amount of time allowed for the writing of the examination, whether the examinations are to be taken with open or closed books, whether or not students are allowed to collaborate and the nature of that collaboration, and when the examinations are due.
 - Take-home finals may be handed out during the last week of classes. In no case should an instructor require a student to hand in a take-home examination before the time period originally scheduled for the final examination of that course. If no final examination period has been scheduled for a course, the exam may not be due prior to noon on the second day of examinations.
4. If a written assignment is used in place of a final examination, in no case should an instructor require a student to hand in the written assignment before the time period originally scheduled for the final examination of that course. If no final examination period has been scheduled for a course, the written assignment may not be due prior to noon on the second day of examinations.
5. The schedule of final examinations for the ensuing academic year is included in the Academic Calendar published online by the Registrar's Office. Examination periods are three hours in length. Students shall be given the full three hours to complete a final exam unless the syllabus specifies a shorter time period. However, students granted extra time for accommodations shall receive any additional time to which they are entitled. The time and date that an alternative final assessment, such as a term paper or take-home final, is due should be stated in the syllabus and must be no earlier than the starting time of the scheduled final for the course.

6. After an hour-test or examination has been taken by a student, no re-examination is permitted. This regulation should not be construed as prohibiting the retaking of hurdle examinations under self-paced instructional systems such as the Keller method.
7. All regularly scheduled classes must include a culminating assignment in the form of a final written exam, written assignment, oral exam, or comparable activity. Exceptions are permitted only with the approval of the Provost.
8. Under the Honor Code it is normal practice to allow students to take their examinations to other, presumably quieter, examination rooms within the building in which an examination is being given. This practice does not extend to permission to leave the building.
9. Faculty are urged to establish clearly announced (preferably in writing) due dates for all term papers, laboratory reports, and other exercises and to make positive note of receipt of these exercises and examination papers when they are handed in. While the burden of proof regarding completion of an exercise or assignment is on the student, a clear record of receipt of the material can reduce the possibility of later controversy. Students should be urged to keep copies of all significant reports and papers, as well as pertinent notes and other documentation, at least until the original copy has been graded and returned by the instructor.

This policy was adopted by vote of the full faculty. Suggested changes should be submitted to the Academic Standards and Awards Committee. (Revised 2014)

FIRE SAFETY

Fire Extinguishers, Fire Alarms, and Smoke Alarms

Public Safety is responsible for the implementation of policies concerning fire extinguisher and fire alarm stations in residence halls. A check of the fire extinguisher, fire alarm boxes, EXIT lights and smoke alarms will be conducted every six months by Public Safety. In addition, any person who observes misused, or defective or inoperative equipment shall report the violation immediately to Public Safety.

If a fire extinguisher is leaking, it is the responsibility of the residents of a section to notify Public Safety immediately. Failure to do so may result in an assessment for the cost of that extinguisher. If an individual or group sets off or tampers with a fire alarm, fire extinguisher or any other fire equipment, that person or group shall be subject to a fine between \$100 and \$500. The fined party may appeal within ten days through the Office of Residence Life. This charge, assessed by Public Safety, may be borne by an individual or group divided equally among the members of the section if the guilty party cannot be found. The charged parties may appeal through the Office of Residence Life to determine guilt and how to apportion the cost of a missing fire extinguisher.

HAZING LAWS (PENNSYLVANIA P.L. 1595, NO. 175)

“Hazing:” Any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student or which willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition for continued membership in, any organization operating under the sanction of or recognized as an organization by an institution of higher education. The term shall include, but not be limited to, any brutality of a physical nature, such as whipping, forced consumption of any food, liquor, drug or other substance, or any other forced physical activity which could adversely affect the physical health and safety of the individual, and shall include any stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual, or any willful destruction or removal of public or private property. For purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be “forced” activity, the willingness of an individual to participate in such activity notwithstanding.

HOVERBOARD & DRONE POLICY

The use, possession or storage of hoverboards (self-balancing scooters, battery-operated scooters, hands-free Segways and other similar equipment) is prohibited on the Allegheny College campus and in all College-owned and College-managed buildings until safety standards can be developed and implemented by the manufacturers.

Drone Policy

Allegheny College will begin a comprehensive review of drones on campus. Until this review is complete, for reasons of safety, security and privacy, drones, quadcopters, and similar small airborne objects are not permitted to be used on the campus of Allegheny College without prior written authorization from the Director of Public Safety. Students violating this policy may be subject to a referral to the Office of Student Conduct for a violation of the Code of Student Conduct.

The ban on hoverboards and drones is effective immediately. We ask that students please leave hoverboards and drones at home. Any hoverboards or drones found on campus will be confiscated and returned upon completion of the spring 2016 semester. This policy may be altered when additional information regarding safety standards can be developed. The College's priority continues to be the safety of the students, faculty, staff and visitors on our campus. If you have any questions about this policy, please contact any of the following:

Dr. Ali Awadi, Director, Public Safety (814) 332-3357

Jennifer Foxman, Associate Dean (814) 314-4356

Joseph Hall, Assistant Dean of Students (814) 314-4356

Approved March 2016 by Campus Life & Community Standards and the Administrative Executive Committee of Allegheny College.

IMMUNIZATION POLICY

Students enrolling at Allegheny College are required to demonstrate completed Meningitis immunizations records to the Winslow Student Health Center as required by the state of Pennsylvania. Three Hepatitis B injections, two varicella (chicken pox) injections, and the completion of a TB risk questionnaire are also requested. Any "yes" answer to the questionnaire requires that the student receive a Mantoux TB test or IGRA blood test. Hepatitis A and HPV vaccinations are recommended. We also require blood titer testing for MMR, Hepatitis B, and varicella for any student who does not provide proof of vaccination, whether it be for allergy to the vaccine, or based on a religious waiver.

Exceptions to this policy may be made for a documented allergy to substances in one or more of these vaccines or on the basis of a sincere and genuine religious belief prohibiting a particular immunization. Such a medical or religious waiver must have been applied for on the appropriate College form and granted by Winslow Student Health Services at the time of enrollment. First year, transfer, domestic exchange and international exchange students will not be permitted to move into residence halls and/or participate in classes without the required documentation of immunizations.

Students participating in College sponsored international study/travel opportunities are required to receive all immunizations recommended for travel to a particular region. Exception to this policy will be made only for a student who has an approved immunization waiver on file with the College from the time of initial enrollment. Please be advised that such a waiver may affect ability to participate in certain international travel opportunities. The College retains the right to deny approval for travel for which academic credit and/or funding is being provided by the College should it be felt that the health of the non-immunized student or other community members might be jeopardized.

LEAVE OF ABSENCE POLICIES

Short-term Leaves from Campus

Students leaving campus due to health reasons (e.g., physical or mental health needs) should contact the Health Center or Counseling Center. The Health Center will then notify professors and other need-to-know offices. Students leaving campus due to the death of a family member or friend and other reasons should contact the Dean of Students Office. The Dean of Students Office will then notify professors and other need-to-know offices. Please note that this is a notification only. Any student leaving campus is responsible for working with their professors in making up any missed course work. Students may be required to show proof of illness, etc.

Please refer to the Class Attendance, Exam and Academic Policy section of this handbook for additional information.

Leaves of Absence

Students may apply to the Office of the Dean of Students for a Leave of Absence when personal circumstances make a temporary absence advisable and a commitment to return to the College is evident. The length of the leave is determined by the student's needs, but will not exceed one calendar year. Students

may be granted leaves from the College without grade penalty up until the last day of classes in any semester. A leave may be arranged during or between semesters. However, students on a leave may return only at the beginning of an academic semester. When a student is granted a Leave of Absence during the semester, the course registration remains on the transcript and the notation 'L' is assigned instead of a letter grade.

During a Leave of Absence, the general deposit required of all students is maintained on account; when applicable, financial aid, housing assignment, and course registration arrangements are held for the student's return. Students on leave during spring semester may participate in room draw for the following year by special arrangement with the Office of Residence Life. After they have been approved for re-entry through the Dean of Students Office, students may register for the next semester.

Students considering a Leave of Absence must consult their advisor and others, as appropriate, about the effect it will have on progress toward a degree, financial aid, and billing. Tuition and board refunds for Leaves of Absences are governed by the provisions set forth by the Student Accounts Office.

Leaves of Absence for Personal or Community Health/Safety Reasons

1. Students are permitted to take voluntary leaves of absence to address medical or mental health concerns. All requests for voluntary leaves must be approved by the Dean of Students or his/her designee. The Dean of Students, in consultation with health professionals as necessary, will specify the conditions to be satisfied (if any) before the student may return to Allegheny.
2. The Dean of Students may place a student on a leave of absence following an individualized assessment of a student in which the College determines in the exercise of its judgment that a student reasonably meets one or more the following criteria:
 - a. A student presents a substantial risk of harm to others or has engaged in threatening or violent activities;
 - b. A student presents a substantial risk that the student will harm him/herself, and that the risk cannot be eliminated or reduced to an acceptable level through reasonable and realistic accommodations;
 - c. A student significantly disrupts the educational or other activities of the College community;
 - d. A student is unable or unwilling to carry out substantial self-care obligations or to participate meaningfully in educational activities; or
 - e. A student requires a level of care that exceeds the resources and staffing that the College can reasonably be expected to provide for a student's well-being.
3. Where appropriate and feasible, the Dean of Students or his/her designee will notify a student that a leave of absence is under consideration. In situations involving an imminent or ongoing threat to the College community, it may be appropriate for the College to require the student to be away from the College while the individualized assessment and review are taking place. Students are expected to cooperate in the assessment. The Dean of Students may require a mental or physical evaluation from a clinician designated by the College if the Dean believes such an evaluation of a student will facilitate a more informed decision. Students are expected, if necessary, to sign a release of information to facilitate the discussions between the College and the clinician conducting an evaluation. The clinician will need to complete the College's Health Assessment Form.
4. If a student declines to take a leave of absence voluntarily, the Dean of Students will convene a Committee to advise the Dean on whether a mandatory leave of absence should be invoked. The Committee will include at least three persons, one of whom shall be the Director of the College's Counseling Center or designee. The Dean of Students and the Committee may consider relevant documentation made available to them. They may also confer with individuals who have relevant information about whether a leave of absence is appropriate for a particular student. The student will have the opportunity to respond to the concerns in writing and/or in-person/telephonically before the Committee.
5. The Dean of Students will provide written notice to the student regarding the decision as to imposition of a mandatory leave. If a leave of absence is imposed, the written notice shall include (i) a time-frame when the student could be eligible to return; and (ii) the conditions the student would need to satisfy to be eligible for return. If a leave is not imposed, the Dean of Students may require conditions for the student's continued enrollment at Allegheny.

6. All reviews under this policy should be done in a reasonably timely manner. Where a student has been asked to remain off campus pending the review, every effort will be made by the Dean of Students to reach a decision within seven business days provided the student responds timely to requests for information and (if appropriate) evaluation.
7. A student placed on mandatory leave of absence has the right to appeal to the Executive Vice President. The appeal must be in writing, delineating the reason(s) why the student believes the decision is inappropriate. The appeal must be received within three days of receiving written notification of the decision to place the student on mandatory leave. The appeal may relate to the leave decision itself and/or the conditions imposed to return to school. The Executive Vice President will review the student's appeal and uphold, reverse or modify the decision. The Executive Vice President's decision shall be considered final.
8. The length of any mandatory leave of absence will be determined on a case-by-case basis.
9. Unless expressly permitted by the Executive Vice President or the Dean of Students in writing, students on mandatory leave of absence are not permitted to be present on campus and are not permitted to engage in any College-related activities. Students on a voluntary leave of absence are expected to check in with the Dean of Students prior to visiting to discuss their visit.
10. When a student who has been on a mandatory leave of absence pursuant to this policy wishes to return to the College, the student must submit a written request to the Dean of Students to return. The Dean of Students may require further evaluation of the student to determine readiness to return. The Dean of Students may confer or seek information from others to assist in making the determination. If the Dean of Students is not satisfied that the student is ready to return, the Dean will notify the student in writing of the decision, including the reasons for the decision. A student not permitted to return may appeal the decision to the Executive Vice President. If the student is approved to return, Winslow Health Center or Counseling Center staff members may make recommendations to the Dean of Students regarding conditions of return. The student will receive written notification of any conditions. Written requests for return from mandatory leave should be submitted no later than July 1 for the fall semester or November 15 for the spring semester.
11. A leave of absence under this policy is an administrative process, not a disciplinary process. It is possible that conduct leading to a mandatory leave of absence under this policy may also be subject to review and sanctions under the College's Student Code of Conduct.
12. For information regarding the effect of a leave of absence under this policy on matters such as transcripts, registration, financial aid, housing and refund policies, the student should see the information in the Allegheny College Catalogue under the heading "Leave of Absence."

(Revised Spring 2015)

WITHDRAWAL FROM THE COLLEGE

Students desiring to withdraw from the College must complete the withdrawal form available from the Dean of Students Office. In order to receive a deposit refund, students must withdraw according to the following deadlines: July 1 for fall semester and by one week prior to the first official day of classes for the spring semester. Students may withdraw from the College without grade penalty up until the last day of classes in any semester. When a student withdraws from the College during the first two weeks of the semester, 14-week courses will not appear on the official transcript, but, as appropriate, will appear on the academic record. Students who withdraw from the College between the conclusion of the second week of the semester and the last day of classes will receive the grade of "WC" for all courses for which they are registered. This will not affect their quality point average. Students who do not resume study at the opening of any semester are withdrawn from the College by action of the Dean of Students. Students who withdraw are expected to return their student identification card to the Dean of Students Office or the Student Accounts Office. Students who withdraw from the College are expected to leave the campus within 48 hours. They lose all privileges of enrollment until such time as they are readmitted. Tuition and board refunds for withdrawal are governed by the provisions set forth by the Student Accounts Office.

Re-entry after Leave of Absence or Withdrawal

Students who take a Leave of Absence or withdrawal may return to the College by notifying the Office of the Dean of Students no later than July 1 for the fall semester, December 1 for spring semester. A student re-entering after a withdrawal is required to pay the \$400 deposit at the time he or she notifies the Office of the Dean of Students of the date of return.

All outstanding financial balances must be paid before re-entry can be approved. In addition, any conditions for re-entry will need to be met before the student is approved. The student will receive written notification of any conditions when the leave of absence or withdrawal is processed. When students re-enter, they shall be governed by the academic requirements applicable to the class of which they become a part. *(Revised April 2010)*

For class attendance policies and academic standing, the Academic Standards and Awards Committee can review these policies and make policy changes. The committee also brings it to the attention of the Faculty for ratification.

MEAL PLAN EXEMPTION

Our on-campus dining facilities offer a variety of menu choices and are able to accommodate most medically-required dietary needs. In those rare cases where we are unable to meet a student's medical need, exceptions may be granted to the meal plan requirements. The process for requesting such an exception is as follows:

- Documentation from a medical doctor regarding the medical condition, including specific nutritional recommendations, should be submitted to the Dean of Students office or to the Dining Services office.
- The Director of Dining Services will review the documentation and meet with the student. Within five business days of meeting with the student, the Director of Dining Services will determine if the needs can be met through our current dining options or if special arrangements can be made through our on-campus facilities.

If it is determined that our dining program cannot meet the medical and nutritional needs of the student, approval will be given to change or be exempt from the meal plan requirements.

MISSING STUDENT PROTOCOL

This protocol applies to all Allegheny College students, faculty, staff and administrators. This protocol applies when any residential student is missing or believed missing. For purposes of this protocol, a residential student is a currently enrolled student who resides in an on-campus residence hall or house under a housing contract, or a student residing in designated housing while enrolled in an Allegheny College program. The purpose of this protocol is to ensure an effective, cooperative College response to any missing student situation. This protocol complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) by establishing procedures for the College community regarding the reporting, investigation and required emergency notification when a student residing in on-campus housing is determined to be missing.

Reporting a Missing Student

If any student or employee has reason to believe a residential student is missing, he/she should immediately report this information to Public Safety (814) 332-3357 and/or the Dean of Students at (814) 332-4356. Anyone who receives a missing student report should immediately contact the Public Safety Office. Public Safety officials will follow their own investigation procedures.

Confidential Contact for Emergencies

Each student has the option to designate a confidential contact by submitting an Emergency Contact Form to the Dean of Students. The College will contact the designated person within 24 hours of the time that a student is considered missing by the College. For students who are under 18 and not emancipated, the College is obligated to notify parent(s) or legal guardian(s) within 24 hours of receiving a report that the student is missing. The College may also contact other individuals if deemed necessary to prevent harm to a student or others, necessary to the investigation, or otherwise appropriate under the circumstances.

OUTDOOR EVENT GUIDELINES

The Outdoor Event Guidelines were created to help coordinate the numerous outdoor events that occur in our community that are likely to affect neighbors or others not directly participating. Students and organizations wishing to hold outdoor events on College property and/or College recognized organizations that wish to hold an outdoor event in areas surrounding the College must get prior approval from the Office of Student Involvement. The purpose of this approval is to attempt to schedule outdoor activities in an effort to be sensitive to our community.

PARENTAL NOTIFICATION

It is our intention to work in close partnership with families (in most cases parents) regarding student conduct or disciplinary situations in a way that is consistent with our philosophy of working directly with students as adults. Should a student become involved in an incident that violates our policies, we hope our communication with families regarding these matters will enable us to work cooperatively to address the current situation and change behavior to avoid future issues. Federal law allows us to share the results of student conduct or disciplinary cases if they involve alcohol or drugs, regardless of financial dependency or the College's receipt of a signed release giving the College permission to share protected information. In these cases, the College will notify families based upon the following guidelines: 1) In all student conduct or disciplinary cases, students are encouraged to discuss the situation with their families; 2) If a student is placed on disciplinary probation, we will send a copy of the letter written at the conclusion of the student conduct or disciplinary process to the family in care of the home address listed with the College; and 3) If a student is placed on disciplinary suspension or expulsion, we will attempt to contact the family by telephone and we will send a copy of the letter written at the conclusion of the student conduct or disciplinary process to the family in care of the home address listed with the College. For cases that do not involve alcohol or drugs, the College can only share information if a student has signed a release giving the College permission to share protected information and/ or the family has notified the College of the student's financial dependence. If a student has not signed a release giving the College permission to share protected information and/or the family has not notified the College of the student's financial dependence, the College is not able to notify the family regarding student conduct or disciplinary situations. However, in all student conduct or disciplinary cases, we encourage students to discuss the situation with their families. If the student has signed a release giving the College permission to share protected information and/or the family has notified the College of the student's financial dependence, the College will notify the family based upon the following guidelines: In all student conduct or disciplinary cases, students are encouraged to discuss the situation with their families. If a student is placed on disciplinary probation, we will send a copy of the letter written at the conclusion of the student conduct or disciplinary process to the family in care of the home address listed with the College. If a student is placed on disciplinary suspension or expulsion, we will attempt to contact the family by telephone, and we will send a copy of the letter written at the conclusion of the student conduct or disciplinary process to the family in care of the home address listed with the College.

****Please contact the Office of Student Life if you have questions or concerns regarding the above information.*

PEACEFUL ASSEMBLY POLICY

One of the primary functions of Allegheny College is to discover and disseminate knowledge by means of research, teaching and civic engagement. To fulfill this function, an open interchange of ideas is necessary not only within the College, but also in the larger society. As such, Allegheny College believes peaceful assembly is an acceptable means of expression within our community.

Freedom of speech is also an idea encouraged and supported at Allegheny. Implicit in this freedom is the right to dissent. We seek to provide the right to engage in peaceful assemblies for all faculty, staff, and students in our academic community. In providing individuals the right to peaceful assembly, there must also be room for others in the community to access academic and educational processes, to reside in residential spaces, and to take advantage of normal business operations.

By law, only peaceful assemblies are protected. Participation in a peaceful assembly must be voluntary, and must support the basic exchange of ideas with persons who may be opposed to the ideas or claims that a particular assembly is promoting. To engage in obstruction is a form of censorship, no matter who initiates it or for what reasons.

Actions such as blocking, obstructing or impeding passage of a person or vehicle, bodily harm, and/or erecting or placing of obstructions that result in depriving others of their rights are unacceptable. In all cases, students, faculty, and staff must be afforded an opportunity to decline to participate in and to exit and enter freely from all spaces..

Core Principles

The following are the core principles of peaceful assembly:

- A. Students are part of the College community and have the right of lawful access to the College land and buildings, other than personal work spaces and other areas to which the College restricts access in the exercise of its normal responsibilities (e.g. the Cashiers, for the purpose of protecting public finances, or staff offices where files are held for the purpose of protecting personal privacy).
- B. All students, faculty, staff, and other persons legitimately occupying Allegheny land and buildings have the right to a safe environment at all times.
- C. The College has the right to go about its business and not be subjected to unreasonable disruption of, or increased cost associated with, the conduct of its business and delivery of services to students, faculty, staff and the greater Meadville community.
- D. The College promotes and recognizes the principle of academic freedom as per Section 161 of the Education Act 1989.
- E. The following does not constitute a trespass: non-violent peaceful assembly on College property and buildings (other than restricted locations) by students, faculty and staff, provided the assembly is lawful and does not involve property damage or unreasonable disruption to the daily routine of management, academic staff, general staff and other persons legitimately on College land and buildings.
- F. For an action to constitute non-violent peaceful assembly, the participants must avoid:
 1. Actions that cause harassment or physical harm to any person,
 2. Actions that subject a person to abuse or intimidation,
 3. Actions that cause a person to be fearful for their own safety or the safety of others, and
 4. Actions that cause or are likely to cause damage to any property.

Forms of Peaceful Assembly

Peaceful assembly includes meetings, speeches, debates, demonstrations, marches, vigils, sit-ins, rallies, protests, picket lines and similar meetings or gatherings. The examples and information below are not intended to be an exhaustive list.

Demonstration

A large group of people, usually gathering for a political cause. It usually includes a group march, ending with a rally or a speaker. A demonstration is similar to a protest in that they both can use the same or similar methods to achieve goals. However, demonstrations tend to be more abrasive and spontaneous, whereas protests tend to be more organized.

March

A walk by a group of people to a place in order to express an objection with any event, situation, or policy.

Picket Line

A line or group of people who are refusing to go to work until their employer agrees to certain demands.

Protest

A way to express objections with any event, situation, or policy. These objections can be manifested either by actions or by words.

Sit-In

Any organized protest in which a group of people peacefully occupy and refuse to leave college premises.

Vigil

An observance of commemorative activity or event meant to demonstrate unity around a particular issue or concern, and/or to promote peace and prevent violence.

Guidelines for Planning a Peaceful Assembly

Because we care about the general health, safety and welfare of our students, faculty, staff, alumni and guests, we encourage organizers to contact the Office of the Dean of Students so that we can assist with planning for the safety of those engaged in peaceful assembly and those who choose not to participate. The Dean of Students can also assist with identifying spaces for individuals and groups interested in engaging in peaceful assembly.

Public Safety is required to ensure that the rights of all concerned are protected. Notification helps us to ensure the safety of all participants and members of our community. You may contact the Office of the Dean of Students at (814) 332-4356 for further assistance.

Counter-Assembly

A peaceful assembly on campus may invite another form of assembly. When these occasions arise, the expression of all parties is important. Please note that another area may be identified for those persons with views that differ from those held by the event organizers. In order to further support the peaceful assembly guidelines are upheld, Public Safety may be required in order to ensure the safety of all participants.

Class Attendance

Students are expected to attend all their classes as scheduled. Specific class attendance policies are the prerogative of the individual faculty member. Students will be held responsible for any missed coursework. Any arrangements for missed coursework will be at the discretion of the faculty. In some cases, missed coursework may result in a reduction in grade or no grade at all for unauthorized absences.

This policy passed by the Campus Life & Community Standards Committee on November 2016, and the Administrative Executive Council on December 2016.

POLICY ON THE PRIVACY OF STUDENT RECORDS

The Family Educational Rights and Privacy Act of 1974, (FERPA) mandates that educational institutions maintain the confidentiality of student educational records as defined by FERPA. Specifically, FERPA states (a) that a written institutional policy must be established, and (b) that a statement of adopted procedures be made available, covering the privacy rights of students. The following policy outlines Allegheny College's definitions, policies, and procedures related to access to educational records. Students will be notified of their FERPA rights annually by publication of this policy in *The Compass*.

Educational Records

- A. "Educational Records" include records directly related to a student, which are maintained by Allegheny College, such as admissions materials, transcripts/grades, student conduct records, financial records/billing statements, emails, and financial aid information. Educational records do not include: records of instructional, administrative, and educational personnel which in the sole possession of the maker and are not accessible or revealed to any individual except a temporary substitute; law enforcement records of the Security Office; health records of the Health Center and Counseling Center; employment records of full-time employees who are also students; alumni records which contain information about a person after she/he is no longer in attendance at the College and which do not relate to the person as a student. These records are not necessarily available to a student, but health records may be reviewed by health care provider(s) of the student's choosing.
- B. No one outside the College community shall have access to, nor will the College disclose, any information from a student's educational records without the written consent of the student, except to persons who are permitted access under the Act. These are: authorized representatives of federal or state agencies for audit, evaluation, enforcement or compliance with federal or state requirements;

officials of other institutions in which students seek to enroll or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer; persons or organizations providing students financial aid; accrediting agencies carrying out their accreditation function; authorized researchers who provide for confidentiality of the records; parent(s) of students who have established that student's status as a dependent according to federal tax laws; persons in compliance with a court order/subpoena or ex parte court order as determined relevant by law; necessary persons, including parents of an eligible student, in an emergency in order to protect the health or safety of students or other persons; and the alleged victims of incidents of violent behavior of the outcomes of student conduct proceedings with respect to those incidents.

In addition, the U.S. Department of Education recently (January 3, 2012) expanded the circumstances under which your education records and personally identifiable information (PII) contained in such records - including your Social Security Number, grades, or other private information - may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal - or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

FERPA allows the release of any information from a student's educational record without the written consent of the student to the parent(s) of a student who have established the student's status as a dependent according to federal tax laws. Information concerning a student who is a dependent, within the meaning of Section 152 of the Internal Revenue Code of 1954, may be released to that student's parent(s). The Internal Revenue Code defines a dependent student as one who has attended an educational institution full time for any five calendar months of a tax year and who was provided more than one-half of his/her support as claimed by the parent(s) on their income tax statement. A student may change his/her status regarding dependency by submitting the proper form and necessary supporting documents to the Financial Services Office. For purposes of this policy, the assumption will be that a student is not a dependent within the meaning of the Internal Revenue Code, unless individually certified to the contrary under the criteria above. Regardless of dependency, a student may submit a release form authorizing the College to share information with his/her parent(s). The submission of such a release is encouraged and can be done by contacting the Dean of Students Office.

- C. Within the Allegheny College community, only College officials, individually or collectively, acting in the student's legitimate educational interest are allowed access to student educational records. College officials are persons: employed by the College in academic, administrative, or support staff positions; serving on institutional governing bodies; or contracted by the College to perform certain tasks. A College official has a legitimate educational interest if the information requested is necessary for that official in performing a task that is specified in his/her position description or contract agreement or is performing a task related to the student's education.

Directory Information

- A. At its discretion, the College may provide directory information to the public, without prior approval, to include: student name, local and permanent address, photographs, telephone number, email address, date and place of birth, enrollment status, major field of study, date of attendance (including graduation date), degrees and awards received, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Directory information includes a student ID number, user ID, or other unique personal identifier used by the student but only if that information cannot be used directly to gain access to educational records. (ID numbers are NOT included in any documents such as *The Compass* (Allegheny Student Handbook) or student directory.)

- B. A student may withhold directory information from public disclosure by notifying the Dean of Students Office in writing. Directory information can be withheld at any time of year and once a student requests non-disclosure this will be in effect until the student gives written notice to change their non-disclosure status. A parent or eligible student may not opt out of directory information disclosures to prevent the institution from disclosing or requiring a student to disclose the student's name, student ID number, or institutional e-mail address in a class in which the student is enrolled. Directory information will be withheld even after graduation until Allegheny College is notified otherwise. At the beginning of each academic year, students who have not already requested a hold on directory information and who want to withhold directory information from the Allegheny student government telephone directory must do so by the end of the add period for Fall classes.

Inspection and Review of Educational Records

- A. A student has the right to inspect and review (within forty-five days of request) information contained in his/her educational records (as defined above); to challenge the contents of his/her educational records and to have a hearing, if the outcome of the challenge is unsatisfactory; and to submit explanatory statements for inclusion in his/her records if they feel the outcome of the hearing is unacceptable.
- B. The Dean of Students or designee coordinates the inspection and review procedures for student educational records. Such records are maintained at several locations on the campus; these locations are listed at the end of this policy. A student who wishes to review his/her educational records must make written requests to the offices maintaining the records. If a student is uncertain as to the location of a particular record, the written request should be addressed to the Dean of Students listing the item(s) of interest.
- C. A student may not inspect or review the following: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment, job placement, or honors to which they have waived their rights of inspection and review; or educational records containing personally identifiable information about other students. The institution is not required to permit a student to inspect or review confidential letters and recommendations placed in his/her file prior to January 1, 1975, providing those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

Amendment of Educational Records

- A. If a student believes that the information contained in his/her educational records is inaccurate or misleading, or that it violates privacy or other rights, the student may request that the College amend the record. Such request shall be in writing addressed to the Dean of Students, and shall specify the amendment sought.
- B. The Dean of Students or designee shall, within 30 days after receiving the student's request, and after consulting with appropriate College officials, decide whether the record will be amended in accordance with the request and inform the student in writing. If the decision is to amend the record in accordance with the request, the Dean of Students or designee shall correct the records within ten days. If the decision is to refuse to amend the record in accordance with the request, the Dean of Students or designee shall simultaneously advise the student that he/she may request a hearing to challenge the content of the educational records by contacting the Dean of Students in writing.
- C. If a request for a hearing is received, the Dean of Students or designee shall request that the President appoint a panel of three College faculty members or administrators to conduct the hearing. Persons appointed shall be individuals who have no direct interest in the outcome of the hearing. The President shall designate a chairperson for the panel and shall provide the panel such assistance as deemed appropriate.
- D. The chairperson of the hearing panel shall notify the student and the Dean of Students or designee of the date, time and place of the hearing at least five days before the hearing.
- E. The student shall be afforded a full and fair opportunity to present evidence relevant to the issue whether the information in the student's educational record is inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. The Dean of Students or designee shall be afforded a like opportunity. The panel shall make its decision solely on the basis of the evidence presented at the hearing.
- F. The student may be assisted throughout the process by a Community Support Person. The Community Support Person must be a current student or employee of the College who is chosen by the

student to serve in an advisory capacity during the hearing. The primary role of the Community Support Person is to assist the student in preparing for the hearing and to attend the hearing as support for the student. The student is responsible for presenting his/her own information and, therefore, advisors are not permitted to speak or participate directly in the hearing without approval from the chairperson.

- G. The chairperson of the hearing panel shall, within five days after the hearing, inform the student of the panel's decision in writing including a summary of the evidence and the reasons for the decision. If the decision is to amend the record in accordance with the request, the Dean of Students or designee shall correct the records within ten days. If the decision is to refuse to amend the record in accordance with the request, the chairperson shall simultaneously advise the student that he/she has the right to place in the educational record a statement commenting on the records and setting forth the reasons for disagreeing with the College. Such statement shall thereafter be maintained as part of the educational record and thereafter disclosed to any party to whom the contested record is disclosed.
- H. If the student believes that their challenge and/or hearing was handled incorrectly or was not in keeping with the requirements of the Act, he/she may direct a written appeal to the President. Furthermore, students who believe that their rights have been abridged may file complaints with the Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue, SE, Washington, DC 20202-4605.

For further information or to obtain a copy of FERPA, students may consult the Dean of Students Office.

Changes to this policy are made by the Registrar and are approved by the Administrative Executive Council.

PHOTOGRAPHY POLICY

Allegheny College and its representatives occasionally take photographs and video recordings in public spaces on campus for the College's use in print and electronic media. Allegheny College does not attempt to collect photo release forms from members of its faculty, staff, students, and/or guests. Instead, we make the assumption that Allegheny faculty, staff, students and guests are our best resources for marketing the College to its constituencies and that they will welcome involvement in these activities.

Therefore, we reserve the right to take and use photographs, video and electronic images of faculty, staff, students and visitors taken on college property and at college-sponsored events where subjects would not have an expectation of privacy. All photographs, video and electronic images are used for marketing and promotional purposes.

This serves as public notice of the College's intent to do so and as a release to the College of permission to use such images as it deems fit. If you should object to the use of your photograph, you have the right to withhold its release by filling a written objection with the Office of College Relations. The objection must be made in writing to the Office of College Relations located in the 454 House.

SMOKE-FREE WORKPLACE

Evidence of the harmful effects of secondary smoke has grown stronger and stronger in recent years. Even brief exposure to smoke can cause physical distress in some individuals, and tobacco usage is the leading avoidable cause of sickness and death in our society. We have also learned that simple separation of smokers and nonsmokers within the same airspace does not protect nonsmokers from environmental tobacco smoke, and even separation into different physical spaces within the same building is not adequate, given the nature of building ventilation systems. Finally, we know that smoking increases maintenance and liability costs, decreases productivity, and increases sick time. For all of these reasons, Allegheny has a smoke-free workplace.

Smoking in any form is prohibited inside all nonresidential college-owned or leased buildings, residence halls, and college-owned or rented vehicles. Smoking is also prohibited at all formal outdoor assemblies where people are in close proximity, including athletic events, commencement, and concerts. Smokers are also encouraged to take care that their outside smoking is not picked up through windows and air intakes.

Responsibility for enforcement of this policy rests with the President and the Administrative Executive Committee (AEC). Because Allegheny is the kind of place it is, we have every expectation that voluntary, thoughtful compliance will make formal enforcement almost unnecessary. We know that implementation of this policy will cause inconvenience to smokers in our community, but we believe strongly that the evidence of harmful effects of secondary smoke on non-smokers warrants its adoption. Information about smoking cessation is available through the Winslow Health Center. Allegheny's Smoking Policy was approved by the Administrative Executive Committee, and has not changed since its implementation on May 1, 1994, except for the inclusion of residence halls beginning with the 1997-1998 academic year. Changes to the smoking policy, if authorized, would also have to be approved by the Administrative Executive Committee of Allegheny College. Policy changes are made, as circumstances require. (*Rev. 4/1/03*)

SOLICITATION POLICY

Allegheny College prohibits unauthorized solicitation on campus property. We require prior approval for any student organization, group or individual looking to provide information or sell products on campus. In general, for-profit organizations are not permitted to solicit on campus. (For example, credit card, phone card, and cell phone companies are not permitted on campus.) Other solicitors looking for permission to be on campus must seek approval through the Office of Student Involvement. If granted permission then authorized solicitors (e.g. organizations selling class rings or photos for seniors) will only be permitted in the Henderson Campus Center. The purpose of this process is to maintain an environment that supports the academic objectives of our community.

Off-campus religious or faith groups wishing to visit campus must first be invited by a recognized student organization or College department. The College department or organization must receive authorization from the Spiritual and Religious Life office before the off-campus group may come to Allegheny College. Authorized groups or individuals will be hosted in the Henderson Campus Center unless prior permission is granted to visit other facilities or grounds. The purpose of this process is to establish a campus environment that is free of coercion and proselytization.

ALLEGHENY COLLEGE

Statement of Community

Allegheny students and employees are committed to creating an inclusive, respectful and safe residential learning community that will actively confront and challenge racism, sexism, heterosexism, religious bigotry, and other forms of harassment and discrimination. We encourage individual growth by promoting a free exchange of ideas in a setting that values diversity, trust and equality. So that the right of all to participate in a shared learning experience is upheld, Allegheny affirms its commitment to the principles of freedom of speech and inquiry, while at the same time fostering responsibility and accountability in the exercise of these freedoms. This statement does not replace existing personnel policies and codes of conduct.
