CONNECT WITH ALLEGHENY ALUMNI FOR PROFESSIONAL NETWORKING AND CAREER ADVICE

- There are more than 1,000 Allegheny alumni on Gator2Gator, and they are there because they want to help you.

- When you create your Gator2Gator account, you can:
  - Identify the type of help or connections you’re looking for and then G2G will suggest alumni for you to consider.
  - Search for alumni by company/organization, location, industry, graduate school, as well as Allegheny major, sports team, and student organization.

- G2G will offer sample text for your initial outreach, which you can do through Gator2Gator. There is no need to share your personal contact information.
