The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, or call For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.HealthCare.gov/sbc-glossary/ or call to request a copy.				
Important Questions	Answers	Why This Matters:		
What is the overall <u>deductible</u> ?	\$750 individual/\$1,500 family <u>network</u> . \$1,000 individual/\$2,000 family out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .		
Are there services covered before you meet your <u>deductible</u> ?	Yes. Office visits, <u>preventive care</u> <u>services</u> , <u>emergency room care</u> , <u>urgent</u> <u>care</u> , outpatient mental health, outpatient substance abuse, <u>rehabilitation services</u> , and <u>prescription</u> <u>drug</u> benefits are covered before you meet your <u>network deductible</u> . <u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the <u>network</u> <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/ <u>preventive</u> -care-benefits/.		
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.		
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$1,000 individual/\$2,000 family <u>network</u> <u>out-of-pocket limit</u> , up to a total maximum out-of-pocket of \$8,700 individual/\$17,400 family. \$2,000 individual/\$4,000 family out-of- <u>network</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family <u>out-of-pocket limit</u> has been met.		

.

An example of a benefit book can be found at https://shop.highmark.com/sales/#!/sbc-agreements.

What is not included in the <u>out–of–pocket limit</u> ?	<u>Network</u> : <u>Premiums</u> , balance-billed charges, and health care this <u>plan</u> doesn't cover do not apply to your total maximum out-of-pocket. <u>Out-of-network</u> : <u>Copayments</u> , <u>deductibles</u> , <u>premiums</u> , balance-billed charges, <u>prescription drug</u> expenses, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See or call for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **<u>copayment</u>** and <u>**coinsurance**</u> costs shown in this chart are after your overall <u>**deductible**</u> has been met, if a <u>**deductible**</u> applies.
