Your HSA User Guide
Let’s get started.
Manage your account — anywhere, anytime.

Get the app

Download the My Highmark app from your phone’s app store or visit MyHighmark.com and use the info below to register.

Access your HSA

Go to MyHighmark.com.

First Time User: have your member ID card handy and click Register. We’ll walk you through how to get started.

Returning User: you can log in using your existing online username and password.

Complete your HSA setup

After you register, click Benefits and then select your Spending Account under Coverage. Click View my account details to access your spending account dashboard. On the dashboard, you can:

• Sign up for direct deposit.
• Designate beneficiaries.
• Manage your debit cards.
• Set up digital communication preferences.

Real-Time Alerts

Stay on top of all things HSA with real-time notifications on your account. From your spending account dashboard, just select your name in the top right and select Communication Settings to customize how you receive messages — text, email, or both.
Using your HSA

Paying your expenses

To submit a claim, pay your health plan expenses, upload a receipt, and do anything else claim related, just click Benefits and then select your Spending Account under Coverage. Click View my account details to access your spending account dashboard. To pay a provider for a deductible or other expense, go to the top left menu and select Claims, then Claims Activity. Just click on Pay Claim next to the desired claim you want to pay.

To pay or get reimbursed for other types of expenses like dental or vision, go to the top left menu and select My Accounts. Then select My Account Summary and click the HSA Bill Pay button.

Using your debit card

You'll manage your cards and request additional cards for your dependents by clicking on your name on the top right and selecting Debit Card(s).

You can also request cards for dependents not on your medical plan by clicking on your name on the top right and Adding a Family Member in your Profile.

Did you know?

You can view your claim status and balances from anywhere with the MyHighmark app.
Contributing to your HSA

If you're enrolled in a qualified high-deductible health plan, you can make contributions to your HSA. Visit highmarkspendingaccounts.com to see the current annual contribution limits set by the IRS.

1. Payroll elections
   If you opted to have your HSA be deducted from your paycheck, it will be deducted from the pre-tax amount each pay period. This also lowers your taxable income, which is a bonus.

2. Individual contributions
   You’ll need to connect your bank account to your HSA in order to make individual contributions. Once in your Personal Dashboard click on your HSA balance in the My Accounts section, then click Contributions. Once your account is successfully linked to your HSA, you can get started on that same Contributions page.

3. Rollover contributions
   If you have an HSA with another financial institution, you can avoid potential fees by consolidating them into one account. Just download the Transfer of Assets form from Forms and Documents under Resources on the top left menu.

Tax information

You’ll get two tax forms each year for your HSA.

1. 1099-SA Form: Arrives in January and shows distributions paid for HSA expenses for the tax year
2. 5498-SA Form: Arrives in May and shows your HSA contributions for the tax year

You can also find these forms on the Tax Forms page under My Accounts then My Account Summary on the top left of your dashboard.
Put your HSA funds to work.

You can open an investment account once your HSA cash balance reaches $500. Any HSA dollars over the minimum balance of $500 can be invested in exchange-traded funds (ETFs) in your choice of three different investment paths (we cover those on the next page). If your balance falls below the minimum, you can’t make further investments until it’s back up. The minimum investment amount is $1.

Some things to note about investing your funds:

- A monthly fee (based on your investment path) will be debited from your HSA.
- Your account may lose value over time.
- It’s not an FDIC-insured account.
- It’s not bank issued or guaranteed.

Interest Options for your HSA Cash Balance

- You have the option of a high-yield interest as well as the traditional interest option. You just need to opt in to the high-yield interest option by clicking on your HSA balance in the My Accounts section and clicking Interest Options. Follow the prompts to make any updates to your current interest options, high-yield (Pacific Life insured) account or a traditional interest option (FDIC insured).
Opening your investment account

Click on your HSA balance in the My Accounts section, then click the Investment button. From there, click Start Investing and follow the prompts to register and begin investing.

Choosing your investment path

You have three options to choose from. Here’s how each one works:

**Managed (novice investors)**
- You decide how much you want transferred from your HSA cash account to your investment account.
- After answering a risk questionnaire, you’re matched with a fund portfolio.
- The advisor tool will regularly rebalance and manage your portfolio for you.

**Self-directed (intermediate investors)**
- You decide how much you want transferred from your HSA cash account to your investment account.
- You allocate a percentage of your funds into a curated fund lineup.
- You’re responsible for rebalancing your portfolio, if you choose.

**Brokerage (skilled investors)**
- You can freely transfer money back and forth between your HSA cash account and HSA investment account.
- You can also search for stocks and ETFs on the platform and buy full or fractional shares.

Managing your investment account

**Real-time trading:** Once your HSA hits a certain balance, you can immediately move funds into your investment account, rather than waiting the 24 to 48 hours typical of other platforms. You’ll have access to a full suite of ETFs, which, when traded in real time, can lower costs for you.

**Fractional trading:** You can buy fractional shares of desired ETFs and stocks up to eight decimal points (compared to three decimal points at Schwab and TD Ameritrade).

Navigating your dashboard

Once your account is open and funded, you can use your Investments dashboard to:
- See your account summary.
- View transactions.
- Move money between accounts.
- Access important documents.
- Manage your account settings.

Just click on the tabs at the top of the dashboard to navigate between pages.
Discrimination is Against the Law

The Claims Administrator/Insurer complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. The Claims Administrator/Insurer does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex assigned at birth, gender identity or recorded gender. Furthermore, the Claims Administrator/Insurer will not deny or limit coverage to any health service based on the fact that an individual’s sex assigned at birth, gender identity, or recorded gender is different from the one to which such health service is ordinarily available. The Claims Administrator/Insurer will not deny or limit coverage for a specific health service related to gender transition if such denial or limitation results in discriminating against a transgender individual. The Claims Administrator/Insurer:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)

- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact the Civil Rights Coordinator.

If you believe that the Claims Administrator/Insurer has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex assigned at birth, gender identity, or recorded gender, you can file a grievance with: Civil Rights Coordinator, P.O.
