The College expects the operation and activities of all recognized fraternities and sororities to comply with all applicable federal, state and local laws, as well as all College, governing council and inter/national organization policy, regardless of being nationally affiliated.

Anti-Hazing Policy

Allegheny College Definition: Hazing is any activity, planned or unplanned, that is implicitly or explicitly expected of someone to obtain, or continue membership to a group, organization, or team, that 1) requires participation in an activity that does not appear to be group-relevant preparations AND endangers the physical or mental health of a individual, 2) involves the consumption of alcohol or drugs, 3) humiliates, intimidates, or demeans an individual; regardless of a person's willingness to participate.

Any such behavior is expressly forbidden when related to the admission, initiation, pledging, joining, continued membership in, or any other group-affiliation activity. **See Harassment & Human Dignity section*

In addition, Pennsylvania state law maintains that hazing is a criminal offense. The Timothy J. Piazza Antihazing Law (PA) defines hazing as follows:

(c) Limitation.--Hazing shall not include reasonable and customary athletic, law enforcement or military training, contests, competitions or events.

Harassment & Human Dignity

The College is committed to maintaining a safe and non-discriminatory learning, living, and working environment for all members of the College community. Fraternities and Sororities, as members of the College community, are expected to maintain an atmosphere of safety and mutual respect in which all persons can participate without fear of discrimination, harassment or interpersonal violence.

- No Chapter shall tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental, or emotional. This is to include any actions, activities, or events, whether on Chapter premises or an off-site location, demeaning to another human being, including but not limited to, verbal harassment and sexual assault by individuals or members acting together.
- The employment or use of strippers, exotic dancers or similar, whether professional or amateur, at a Chapter event is prohibited.
- No Chapter shall sponsor or endorse any activity or behavior that negatively targets or intimidates an individual or group due to race, ethnicity, ancestry, national origin, religion, gender, sexual orientation, gender identity or expression, age, physical, mental, or intellectual disabilities, as well as past/present history of mental disorders. This includes, but is not limited to, event themes, graffiti or images that harass or otherwise create a hostile environment for individuals or groups due to the above characteristics. Hate speech and actions are not tolerated at Allegheny College and individuals who are victims of hate speech or actions are protected through The Student Code of Conduct and Pennsylvania laws related to discrimination, harassment or intimidation based on bigotry or bias.
- Furthermore, Chapters must actively educate and inform their members, including new/associate members, about diversity, bias related behavior, sexual violence, relationship violence, and stalking.

Eligibility

Potential new members must have earned a minimum of 12 credit hours, have a cumulative grade point average of at least 2.5 or meet the organization's specified minimum standard to join, whichever is higher, and have minimum 2.0 GPA the semester before affiliating before they can be offered an invitation to

join. Students transferring to Allegheny College will be declared eligible provided that they had cumulative grade point average of at least 2.5 and have minimum 2.0 GPA the semester before affiliating at their previous institution and are transferring at least 12 credit hours. This must be verified prior to transfer students joining. Regardless of credit hours, students who are identified as first year by the Registrar's office may not receive a bid into an organization until their second semester of attendance at Allegheny College.

- Student Leadership and Engagement will process Student Eligibility Verification Forms on a continuous basis and distribute an eligibility list on a regular basis, to be determined at the beginning of each semester.
- No potential new member may be offered an invitation to join or receive a bid until their eligibility has been confirmed by the SLE.
- Once a bid has been accepted, a signed individual bid acceptance form must be turned into the Student Life Suite within 24 hours after it has been signed.
- While this policy prohibits College recognized fraternities and sororities from offering invitations of membership to students without an Allegheny College GPA and transfer students with less than 12 credit hours, fraternities and sororities are permitted to have contact with such students for the purposes of generating future interest in Greek life.

New Member Education Programs

Each semester, the chapter officer responsible for administering the organization's new member education program is required to meet with a member of Student Leadership & Engagement BEFORE the new member education program begins. The officer should bring a detailed, written copy of the program to this meeting highlighting weekly activity, not necessarily disclosing ritual or meanings of ritual. New Member Education Programs may not extend beyond a 6 week time period.

Membership Status

In the event that a new member decides to discontinue the new member process at any point in the semester, the new member educator must update the FSL Advisor via email. In the event that the FSL Advisor is not notified the individual will be considered a new member and will remain on the chapter's roster until the FSL Advisor is otherwise notified.

Initiation

Each chapter is required to submit an updated chapter roster to the Greek Life Advisor within 48 hours after new members are initiated into the organization.

Each chapter member, by his or her actions and attitude, is responsible for members and guests. Therefore, it is required for fraternities and sororities at Allegheny College that each chapter must have liability insurance coverage with adequate limits for personal injury in place prior to hosting any chapter events.

All Greek organizations must maintain commercial general liability insurance per the requirements below in order to remain in good standing with the college. Such insurance affords protection to the chapter, its members and to Allegheny College.

The insurance requirements are strictly enforced. **Failure to comply may result in immediate revocation of the chapter's recognition by the College.**

Failure to adhere to any of the College's FSL policies will result in individual and or chapter referral to the Dean for Student Life and our conduct office. Sanctions may include suspension of chapter or removal of recognition depending on the type of offense.

Houses and Suites

A. Fraternity & Sorority houses/independent living spaces owned by Allegheny College:

In order for a chapter that occupies a house or independent living space owned by Allegheny College to be eligible to house chapter members, hold social functions, and remain in good standing with the College, it must adhere to the policies outlined by their Housing Use Agreement. Each chapter should be knowledgeable of their specific policies and requirements listed in their Housing Use Agreement.

C. Residency Requirements for Greek Life Housing

Expansion Policy

Allegheny is open to the expansion of Fraternity and Sorority Life organizations that contribute to the social and educational enrichment of students and the overall Allegheny College experience. Allegheny College will only grant a charter recognition to fraternity and sorority organizations that are affiliated with an Inter/National Headquarters. . Greek letter organizations must NOT participate in or support the practice of hazing potential new members, initiates, or current members of the fraternity/sorority. During colonization potential new organizations are expected to abide by the values of the institution's mission, objectives and statement of community.

Allegheny also recognizes that there are different processes of expansion for fraternities and sororities depending on their inter/national and council affiliations (NIC, NPC and NPHC). As such, the College will work with each potential new organization on an individual basis to ensure that all policies and procedures are followed. Allegheny College reserves the right to accept, approve, or reject any social fraternity/sorority seeking recognition and/or colonization on campus. This model acknowledges and respects the various processes of expansion for NIC, NPC and NPHC organizations while maintaining campus based control over the process to ensure success for all parties involved.

Criteria for Expansion

Fraternity and sorority expansion may begin by one of the following methods:

1. An interested group of four or more students may submit a letter of interest requesting to establish a new or previously recognized national chapter to the Office of Student Life.
2. Through reviewing a formal petition for recognition by an organization coming off a disciplinary loss of College and/or National recognition.
3. Formal expansion is deemed appropriate by the governing council (NIC, NPHC, NPC, etc.) and national Greek organizations will be invited by the College to participate in this process.

Process for Expansion

Fraternities and MultiCultural Organizations

1. A formal request for colonization must be submitted by the inter/national organization to the Office of Student Life. Students who are interested in the organization may also submit a letter of support.
2. The request will be reviewed by the Dean for Student Life, Dean for Student Experience, FSL Advisor and any other appropriate SL staff. After review, the request will be shared with FSL governing councils along with other pertinent administrative offices.

Upon approval, the interest group (comprised of national recruitment specialist or enrolled student group) requesting a chapter will provide the Office of Student Life with the information on the "Application for Recognition as a Greek Organization" for review. The Office of Student Life will review the required application information and make a recommendation regarding the request for expansion.
6. It is the responsibility of the interest group and/or person(s) applying for expansion to adhere to all Allegheny College policies and procedures. After reviewing the recommendation and consulting with the Office of Student Life, the VP of Student Life will make a final determination on the expansion request.

NPC Organizations (Per National Panhellenic Conference Requirements)

If the College Panhellenic makes the decision to consider adding a chapter to the campus, the following steps should be taken:

1. The Panhellenic Council should vote on a motion to form an Extension Exploratory Committee
2. If the vote passes, form an Extension Exploratory Committee comprised of College Panhellenic officers, chapter delegates, alumnae advisors and faculty or administration.
3. The committee should analyze statistics with regard to enrollment and recruitment, and assess the needs of the Panhellenic community and gauge other extension readiness factors. NPC recommends looking at trends and statistics over a five-year period.
4. The Extension Exploratory Committee consults the administration regarding the addition of another NPC sorority. The committee should compile an official report and include a recommendation as to whether to extend or not at this time.
5. The report should be submitted to the College Panhellenic Council along with a motion reflecting the recommendation. Two weeks should be allowed for the report to be reviewed prior to the vote on extension.
6. If the Extension Exploratory Committee's report and motion recommends opening and the vote passes, the Panhellenic Council appoints a College Panhellenic Extension Committee. The College Panhellenic also contacts the NPC area advisor and the NPC Panhellenic Extension Committee chair with the decision.
7. The College Panhellenic Extension Committee should include a representative sample of the Panhellenic community including Panhellenic chapter members, alumnae members/advisors and administrators. Each NPC organization on campus should be represented on the committee, if feasible, by either a collegiate or alumna member.
8. Consideration should be given to NPC sororities that: A. Previously have had a chapter on the campus. B. Have letters of interest on file with the administration and/or College Panhellenic. C. Have been suggested by a local sorority if applicable. (Refer to the section Local Sororities.)
9. The College Panhellenic asks the NPC Panhellenic Extension Committee chair to notify all NPC sororities of the extension opportunity or to send a letter of introduction to NPC sorority/ies. The College Panhellenic should provide information based on the current template provided by the NPC Extension Committee (which will include facts about the college/university, the Panhellenic community, housing, the timeline for extension and other relevant details): The College Panhellenic also outlines the information it requests from NPC sororities.
10. The College Panhellenic Extension Committee reviews responses from NPC sororities and selects organizations to make presentations.
11. Arrangements are made with each selected organization for a campus presentation. Presentations are to be scheduled for separate days and follow all current best practices.
12. NPC sororities not selected to present are notified.
13. After all presentations have been made and evaluated, the College Panhellenic Extension Committee makes a recommendation to the College Panhellenic Council regarding which organization meets the needs of the campus. The council votes on the recommendation and issues an invitation.
14. The College Panhellenic notifies the other organizations that made a presentation of the selection and thanks them for their participation.

15. The College Panhellenic immediately begins work with the selected sorority to prepare a schedule for new chapter establishment.

Exploratory visits: A College Panhellenic may decide to allow optional exploratory visits to campus by member organizations prior to the deadline for submission of extension materials. If the College Panhellenic decides to allow these visits, they are optional and for information-gathering purposes only. Exploratory visits will only involve campus administrators and should not include contact with any students, including Panhellenic officers or members of the College Panhellenic Extension Committee (other than campus administrators). Participation in an exploratory visit should not be a factor or consideration in determining which member organizations are invited to campus to make an extension presentation; therefore, members of the College Panhellenic Extension Committee should not be informed about which organizations did and did not make an exploratory visit.

Exploratory Visits Policy Once the NPC Panhellenic Extension Committee has established that the proper authority has opened the campus for extension, the committee will verify whether NPC organizations not represented on the campus may conduct exploratory visits before presentations are made. NPC member organizations receiving an independent notice of extension directly from a campus will contact the NPC Panhellenic Extension Committee, which will verify whether exploratory visits are authorized. The NPC Panhellenic Extension Committee will inform the NPC member organizations whether exploratory visits will be permitted and will encourage the proper authority to include that information in any correspondence announcing the extension opportunity.

Campus Presentations An extension presentation is an opportunity for an NPC member organization to showcase its sorority and to further explain organizational philosophy, values, programming, leadership opportunities, policies and new chapter establishment practices. A campus may choose to limit the number of organizational presenters or representatives attending the formal extension presentation. Organizational representatives may include inter/national staff members and volunteers, alumnae and collegiate members. Only sorority informational material will be presented during the extension process to the College Panhellenic Association or to the local/interest group. All gifts and favors will be eliminated until an NPC member organization has been invited to establish. There shall also be no promise of future gifts, grants or scholarships as part of the presentations made during the extension process. Inter/national and regional officers/volunteers and headquarters staff members (including traveling staff members/consultants) from other NPC member organizations shall not be invited to nor attend another member organizations' presentations. Recording and sharing of presentations is prohibited. Participation on a College Panhellenic Extension Committee by an inter/national or regional volunteer or an NPC volunteer is discouraged.
