Module 1: January - February (select Module 1 on Self Service)

| Course Number | Course Title | Meeting Times | Prerequisite | Instructor |
|---------------|--|---------------------------------|--|----------------|
| MATH 140-M0 | Calculus I with Precalculus, Part 1 | MTWTHF 9:30-10:45, 1:30-2:45 | None | Prof. Lundberg |
| MATH 140-M1 | Calculus I with Precalculus, Part 1 | MTWTHF 9:30-12:30 | None | Prof. Leech |
| MATH 151-M0 | Calculus I | MTWTHF 9:30-10:45, 1:30-2:45 | Appropriate placement score, or C or better in MATH 159, or approved transfer credit | Prof. Dodge |
| MATH 341-M0 | Functions of a Complex Variable | MTWTHF 9:30-12:30 | C or better in MATH 205 and C or better in MATH 210 or MATH 211 | Prof. Carswell |
| FSMAT 201-M0 | Communication in a Discipline - Cryptography | MTWTHF 9:30-12:30 | C or better in MATH 141, MATH 151, or MATH 160 | Prof. Ellers |

Module 2: February - May (see Self-Service for details about specific sections)

| Course Number | Course Title | Prerequisite | Instructor |
|---------------|--|--|-----------------------------|
| MATH 140 | Calculus I with Precalculus, Part 1 | None | Multiple sections available |
| MATH 141 | Calculus I with Precalculus, Part 2 | C or better in MATH 140 | Multiple sections available |
| MATH 151 | Calculus I | Appropriate placement score, or C or better in MATH 159, or approved transfer credit | Multiple sections available |
| MATH 152 | Calculus II | C or better in MATH 141, MATH 151, or MATH 160 | Multiple sections available |
| MATH 205 | Foundations of Mathematics | C or better in MATH 152 or MATH 160 | Prof. Weir |
| MATH 211 | Vector Calculus & Several Variable Integration | C or better in MATH 152 | Prof. Werner |
| MATH 320 | Linear Algebra | C or better in MATH 205, MATH 210, MATH 211, MATH 270, or MATH 280 | Prof. Ellers |
| MATH 346 | Probability & Statistical Inference II | C or better in MATH 210 or MATH 211, and C or better in MATH 345 | Prof. Lo Bello |
| MATH 350 | Geometry | C or better in MATH 205 | Prof. Werner |
| MATH 425 | Algebraic Structures II | C or better in MATH 325 | Prof. Dodge |
| MATH 585 | Junior Seminar | C or better in MATH 205 | Prof. Lakins |

Please feel free to contact individual instructors or Professor Weir (rweir@allegheny.edu), the Chair of the Mathematics Department, with any questions.
