This is an important reminder that the Degree Audit is only a tool and that the student is responsible for ensuring it is accurate and that they are fulfilling the requirements for graduation.

This document is an unofficial degree audit evaluation. It is meant to serve as a tool for you and your advisor, but does not catch everything - especially issues regarding double counting.

STUDENTS ARE RESPONSIBLE FOR ENSURING THEY HAVE MET THE MINIMUM REQUIREMENTS FOR GRADUATION as outlined in the College catalogue. Be sure to confirm you have met the minimum hours required for your Major(s) and/or Minor(s). While this program lists the "Minimum hours required:" and the "credits:" completed, it does not compare the two figures.

Look out for these colored progress markers ~ "Not started", "In Progress", "Pending completion of unfinished activity", and "Complete."

Every student must take at least 64 credits "in residence" at Allegheny College. This box displays progress to that goal. It is most useful for transfer students.

Program Summary: (In Progress)

	Required	Current Earned	Current Remaining	Anticipated Additional	Anticipated Remaining
Institutional Credits:	64.00	0.00	64.00	18.00	46.00
Institutional GPA:	2.000		Not Met

Overall GPA:	2.000		Not Met		

(*) Anticipates completion of in-progress and registered and planned courses

Every student must complete at least 128 semester credit hours. They must also earn a minimum cumulative 2.0 GPA. This box shows credits already earned ("Current Earned"), total credits remaining ("Current Remaining"), credits currently in progress ("Anticipated Additional"), and the total number of credits remaining after the current semester, assuming current classes are successfully completed ("Anticipated Remaining").
