

MEAL PLAN ACCOMMODATION REQUEST FORM

Allegheny College is committed to supporting students with disabilities with reasonable meal plan accommodations to provide equal access to the College’s dining plan and facility. The Meal Plan Accommodation Policy applies to all students and explains the specific steps necessary to request a meal plan accommodation at Allegheny College.

The American with Disabilities Act (ADA) defines a person with a disability as someone who has a physical or mental impairment that substantially limits one or more major life activities. The three factors influencing a determination of substantial limitation are 1) the nature and severity of the impairment, 2) the duration or expected duration of the impairment, and 3) whether the impairment is characterized as permanent or long-term.

Students must complete and submit a Meal Plan Accommodation Request Form to the Student Accessibility & Support Services Office. When the disability and/or need for accommodation is not obvious, students may also be asked to have a treating healthcare provider complete and submit a Meal Plan Accommodation Verification Form to the Student Accessibility & Support Services Office. This form provides the Student Accessibility & Support Services Office with reliable documentation that the student has a disability. Documentation must also show that the requested accommodation is necessary to provide them with equal access to the College’s meal plan and/or facility; in addition, there must be an identifiable relationship, or nexus, between the requested accommodation and their disability. The treating health care provider completing the form must specialize in a field consistent with the diagnosis, as well as be familiar with the student’s disability and the necessity for the requested accommodation. To avoid any conflict of interest, documentation must be provided by a non-family healthcare provider. When all of the appropriate forms have been submitted, Student Accessibility & Support Services will review the request.

Please see the Meal Plan Accommodation Policy for additional information.
