Emotional Support Animal Request for Information

Student Name: _____________________________________________________________________________________________________________________________________________

Type of Animal (e.g. cat, dog, rabbit, etc.)________________________________________________________________________________________

The above-named student has requested that they be allowed to have an Emotional Support Animal (“ESA”) in their residence hall on Allegheny College’s campus as an accommodation, because it would be helpful in alleviating one or more of the identified symptoms or effects of a disability. The student has indicated that you are their health care provider [please circle one] (physician, psychiatrist, mental health professional, other [please specify: _____). So that we may better evaluate the request for this accommodation, please provide detailed answers to the following questions (please use a separate piece of paper for your responses as necessary):

Information Regarding the Health Care Provider

1. Please describe your qualifications for providing the information requested on this form.

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________

2. Please describe the nature of your professional practice.

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________

3. Please provide the physical address of the office where you see patients.

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________

4. Please indicate when you first started seeing the above-named student for the impairment described on this form.

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________

___________________________________________________________________________________________________________________________________________________________________________________________________________
1. What is the student's medical condition/diagnosis, and date of onset?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

2. What is the severity of the condition?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

3. How long is this condition likely to persist?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

4. Describe the symptoms related to the student’s condition, if any, that cause significant impairment in one or more major life activities and which would support the student’s request to have an ESA in their residence on campus?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

Information About the Proposed ESA

1. Is this an animal that you specifically prescribed as part of treatment plan for the student, and if so, why?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

2. Do you believe the ESA will have a beneficial effect for the student while in residence on campus, and if so, why and how?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

3. What symptoms will be reduced or affected by the student’s having the ESA in their residence hall?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

Information Regarding the Student’s Disability (A person with a disability is defined as someone who has “a physical or mental impairment that substantially limits one or more major life activities.”)
4. Is there evidence that an ESA has helped this student in the past or currently? If yes, please describe.

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

Importance of ESA to Student’s Well-Being

1. In your opinion, how important is it with 1 = not important to 5=critically important, for the student’s well-being that the ESA resides with the student on campus?

_________________________________________________________________________________________________

2. Please explain the rationale for your response to the previous question:

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

3. In your opinion, terms of impairment-related symptomatology, would result if the requested accommodation is not approved by the College?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

4. Have you discussed with your patient/client the responsibilities associated with properly caring for an animal while engaged in typical college activities and residing in campus housing?

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________

5. Do you believe those responsibilities might exacerbate the student’s symptoms in any way? (If you have not had this conversation with the student, we will discuss with the student at a later date).

________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
________________________________________________________________________________________________________________________________________________________________________________________________________
Thank you for taking the time to complete this form. If we need additional information, we may contact you at a later date. We recognize that having an ESA in the residence hall can be a real benefit for someone with a significant impairment, though the practical limitations of our housing arrangements make it necessary to carefully consider the impact of the request for an ESA on both the student and the campus community.

Please provide contact information, sign and date this questionnaire (below), and return it to:
